HIGH SPEED SCANNING...

When it comes to digitising all kinds of documents, 'One Touch' scanning gets the job done in seconds whether you're scanning direct to USB stick, PC or Mac.

Fast scan speeds of 24ppm (48ipm for 2 sided documents) mean that you won't be left waiting, whilst scanning multiple types of documents to applications is easy thanks to a 50 sheet automatic document feeder featuring multipage detection.

...BACKED BY PROFESSIONAL SOFTWARE

Conveniently transforming multiple sized documents up to A3 into a high resolution digital format is where it all starts. To answer the needs of today's business, you can also connect with a suite of easy to use cross platform software that helps you easily convert them to industry standard formats like PDF with searchable text, allowing you to quickly share, file or archive documents across your organisation.

Whether saving time by putting fast scanning, archiving and sharing at your fingertips, or saving space by making a paper-free office a reality, the Brother ADS-2100 delivers the results you demand every time.

PERFECT FOR

☑ Scanning high quality documents up to A3 in size

☑ Archiving documents fast

☑ Creating searchable PDF documents

☑ Storing documents in the cloud for easy access on the go

☑ Scanning business cards directly into your contacts

☑ Integrating into your software with TWAIN and ISIS* scan drivers

☑ Scanning various different types of documents at once with multipage detection

☑ Scanning up to 50 pages in one job

☑ Windows and Mac Users

* ISIS driver download only

ADS-2100 Technical Specifications

General
Scanner Type: Automatic Document Feeder (ADF), automatic 2-sided (duplex) scanning
Scanning Modes: Colour, greyscale & monochrome
Image Sensor: 2 x CMOS dual CIS (contact image sensor) 1 x front and 1 x rear to enable single pass 2-sided scanning
Processor: StarSapphire 400MHz
Memory: 256MB
Backup Clock: Up to 60 hours
Multi Feed Sensor: Ultrasonic sensor detects documents are scanned as intended and your data is not lost
Interface: Hi-Speed USB 2.0

Scanning
USB direct interface: Print directly from a USB flash memory drive
File formats: PDF ver 1.7, JPEG, Exif & JPEG, TIFF (MH scanned by Brother model), PRN (created by HL-4150CDN printer driver), XPS version 1.0

Paper handling
Standard Colour & Mono Scan Speed: Up to 24ppm (pages per minute) A4
2-Sided Colour & Mono Scan Speed (Duplex): Up to 24ppm (pages per minute), up to 48ipm (images per minute) A4
Optical Scan Resolution: Up to 600 x 600dpi (dots per inch)
Interpolated Scan Resolution: Up to 1,200 x 1,200dpi (dots per inch)
Colour Depth: 30-bit internal & 24-bit external
Gray Scale: 256 levels
Supported File Formats: JPEG, TIFF, & PDF (standard, archive (PDF/A), searchable1 and password protected)
Scan to USB: Scan directly to a USB flash memory drive, thus removing the requirement for a PC
Scan to E-mail*: Scan documents directly as an attachment into your e-mail communications software
Scan to OCR*: Scan documents directly into your word processing application, e.g. Microsoft® Word, for instant editing
Scan to File*: Scan directly to a file on your computer or network
Scan to Image*: Scan directly into your preferred image editing software
Scan to searchable PDF*: Scan documents into a PDF file, which enables users to search for key words inside it
