real colour savings

xerox®

ColorQube 8900 Colour Multifunction Printer

Reduce costs, increase business appeal. The Xerox® ColorQube 8900 Colour Multifunction Printer enables your business to work more effectively, delivering exceptional colour printing with amazing cost savings.

Multifunction performance

Experience unparallelled convenience and uptime with Xerox® Solid Ink.

- **Fast results.** Speed up to 44 ppm colour and black and white, with a first-page-out time as fast as 8.5 seconds for colour documents. Plus, two-sided printing comes standard.

- **Always superior colour.** Rich, vibrant colours on all media, including recycled paper.

- **Complete control at your fingertips.** The state-of-the-art 7 inch colour touch-screen interface features bright icons, intuitive menus and embedded help videos.

- **Full range of scanning solutions.** Scan your hard copy documents and get searchable digital files (optional) that can be automatically shared via email, Internet fax or network folder, or stored on the device or any USB memory device for true portability.

- **Extend your possibilities.** Xerox® Workflow Solutions, built on the Xerox® EIP platform, enable productivity-enhancing solutions via the colour touch-screen interface. Learn more about our many solutions offerings by visiting **www.xerox.com/software-solutions**.

- **Easy expandability.** Increase paper capacity to 3,475 sheets of A4-size media. Add the 650-sheet finisher and get 50-sheet stapling plus offset stacking.

- **Logical colour correction.** The Colour By Words feature lets you select desired colour modifications from a simple drop-down list.

- **Always secure.** Safeguard your sensitive data with 256-bit encryption using the FIPS 140-2 standard, built-in support for IPv6, IPsec, secure HTTPS and other industry-standard network security features.

Major savings

Now you can afford to add the power of colour to everything you print.

- **The print volume advantage.** If your work group prints at least six reams of paper each month, the ColorQube 8900 will deliver unmatched total cost of ownership.

- **Choose how you pay.** Flexible pricing means paying less per-page prices for low-coverage colour documents.

- **Save storage space.** Compared to toner, Solid Ink's smaller packaging reduces storage space by 90%.

- **Multifunction convenience.** Combine printing, copying, scanning, emailing and faxing, plus a standard convenience stapler, into one powerful multifunction printer.

Easy on the environment

The ColorQube 8900 multifunction printer helps to create a greener office while enhancing your company's image with colour.

- **Minimise energy usage.** Intelligent Ready technology learns your work group's usage patterns and moves to low-power mode during downtime.

- **Reduce your impact.** Packaging for the printer and Solid Ink sticks helps you create up to 90% less waste, and up to 17% lower lifecycle energy demand than comparable laser printers.

- **EarthSmart print driver settings.** Easy-to-use print-driver gauge allows you to choose the most environmentally conscious print settings.

ColorQube 8900 Quick Facts

- Print up to 44 ppm
- Powerful scan and fax* capabilities
- Maximum paper capacity: 3,475 sheets
- Xerox® Workflow Solutions

* Optional

Print / Copy / Scan / Fax* / Email

A4

19 ppm colour

WxDxH (with OCT):
605 x 504 x 615

The ColorQube 8900 Multifunction Printer is the first A4 device engineered for true multifunction performance with all the benefits of Solid Ink. It delivers real cost savings, exceptional colour quality, green features, and the ability to expand into a floor-standing device with extra paper capacity and helpful finishing capabilities.

1
50-sheet Duplex Automatic Document Feeder accepts custom media sizes from 148 x 210 mm to 216 x 356 mm.

2
100-sheet Bypass Tray handles custom media sizes from 76 x 127 mm to 216 x 356 mm.

3
Standard 525-sheet paper tray handles media sizes from 148 x 210 mm to 216 x 356 mm.

4
Choose up to 3 additional 525-sheet paper trays for media sizes from 148 x 210 mm to 216 x 356 mm (optional).

5
For high-volume work groups, add a 1,800-sheet A4-size High Capacity Feeder (optional). Can replace with an optional stand with storage drawer.

6
Standard Convenience Stapler staples up to 20 sheets of 75 gsm media.

7
650-sheet Finisher provides up to 50-sheet stapling and offset stacking (optional).

Simplifies your workflows

1
The large 7 inch colour touch screen makes it easy to find the functions you need. Scan jobs and store documents on folders before printing.

Extend the functionality of your ColorQube 8900. With Xerox Workflow Solutions, you can connect to document processing tools needed to get your work done faster, more efficiently and more effectively.

2
USB Port lets you scan to or print from any standard USB memory device for portability and convenience.

ColorQube 8900
