WorkForce WF-7110DTW

This business printer with Wi-Fi and Ethernet connectivity is ideal for printing A3 documents on a regular basis. It helps increase office efficiency with its fast business-quality print speeds of up to 18ppm[1], 5.6cm LCD screen and two 250-sheet front-loading paper trays. You can also cut printing costs with XXL black ink which delivers a yield of up to 2,200 pages[2].

A3 duplex printing
This A3 business printer offers A3 duplex printing for more convenient office printing. As well as the front loading paper trays, the rear speciality paper path means you can print on a wide range of thicker paper, envelopes or labels to suit your business needs.

Mobile printing
Epson Connect[3] allows you to print important office documents from smartphones and tablets. You can also print from anywhere in the world by emailing files directly to the printer. In addition, this printer is also Google Cloud Print and Apple AirPrint compatible. For added versatility, Wi-Fi Direct™ allows easy printing from wireless devices without having to connect to a wireless router.
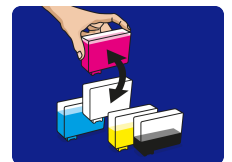

New printhead
PrecisionCore, Epson's most advanced printhead technology, powers the industry-leading output quality and durability that Epson is renowned for, at the high speeds required for office, commercial and industrial printing.

Durable ink
Epson's DURABrite Ultra Ink is ideal for producing laser-like business documents. Documents are water, smudge and highlighter resistant, while its quick-drying properties make it perfect for duplex printing. Available in 27XXL, 27XL and standard sizes, these high-capacity, individual ink cartridges offer great savings, with a 50% lower cost-per-page than competitive lasers[4].

KEY FEATURES

- **A3 duplex printer**
  Print A3-sized business documents
- **Fast print speeds**
  Business-quality 18ppm printing[1]
- **Connectivity**
  Wi-Fi, Wi-Fi Direct and Ethernet
