Expression Home XP-215

The Expression Home XP-215 is part of the Small-in-One range - Epson's smallest ever range of all-in-one home inkjets. This printer, scanner and copier offers cost-effective printing for home users who are looking for the added benefit of Wi-Fi connectivity as well as mobile printing.

The Epson Expression Home XP-215 comes with Epson Connect[1], offering greater flexibility and freedom. It allows you to quickly and easily print documents and photos over Wi-Fi from smartphones and tablet PCs. You can also print from anywhere in the world by emailing documents and photos directly to the printer.

The XP-215 printer is also compatible with Google Cloud Print and includes support for Apple AirPrint.

The automatic Wi-Fi set-up[2] makes configuring laptops and computers to print and scan wirelessly extremely easy. You don't need to know your network settings, as the XP-215 automatically finds the relevant connection settings in order to configure itself.

Epson's Claria Home Ink is ideal for affordable reliable printing: producing crisp, clear text documents and glossy, lab-quality photos. With individual ink cartridges you only have to replace the colour used, saving you money.
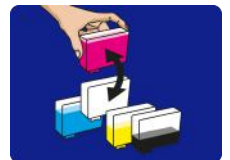

Claria Home Ink cartridges are available in standard and XL sizes, with page yields displayed clearly on each pack. Identifying the right ink cartridge for your printer couldn't be simpler – just look out for the Daisy image.

KEY FEATURES

- **Small-in-One**
  Save space, save money, save time
- **Epson Connect**
  Mobile printing over Wi-Fi and email
- **Auto Wi-Fi**
  Easy to connect wirelessly
- **Individual Inks**
