Table of contents

Performance and security that you can count on

Built for the way today's businesses work, the M426 series delivers fast print, scan, copy, and fax[1] performance, plus robust security. This MFP and Original HP Toner cartridges with JetIntelligence combine to give you more high-quality pages.[2] Finish key printing tasks faster[3] and enjoy peace of mind with comprehensive security that helps guard against threats and fraud.

Who can benefit?

This multifunction printer is ideal for teams of three to ten people—printing 750 to 4,000 pages per month—who want to print consistent, high-quality documents. The HP LaserJet Pro MFP M426 series will help your work team speed through tasks, using a wide range of productivity and workflow features, easy mobile printing,[4] and essential security and manageability features. Print 30% more pages,[2] using HP JetIntelligence Toner cartridges.

Key benefits at a glance

Move your business forward with fast printing and comprehensive security. This MFP offers essential workflow and manageability features, plus energy efficiency. Count on consistent, professional-quality results at high speeds with HP JetIntelligence cartridges.

Speed through more tasks. Keep data protected.

- Scan digital files directly to email, USB, network folders, and the cloud with preloaded business apps.[17]
- Breeze through multipage documents with two-sided printing that's faster than competitors.[3]
- Grab pages and go—without waiting around. This MFP wakes up and prints faster than the competition.[3]
- Protect information and control access to confidential print jobs using HP JetAdvantage Private Print[20] or job storage[8] with PIN printing.
- Keep printing safe—from boot up to shut down—with embedded security features.

Easy management. Efficient operation.

- Easily manage print jobs directly at the MFP—just tap and swipe the 7.6 cm touchscreen.
- Print Microsoft Word and PowerPoint documents—now directly from your USB drive.[19]
- Easily manage devices and settings using HP Web Jetadmin with a suite of essential, enterprise-level management features.[21]
- Use less energy than competitors[22]—enhanced by Original HP Toner with JetIntelligence.

More. Pages, Performance, and Protection.

- Get the most prints for your money[2] and spend less time replacing toner—using Original HP High Yield Black Toner cartridges with JetIntelligence.[14]
- Count on professional quality at high speeds with precision black toner.
- Help ensure you're getting the authentic HP quality you paid for with innovative anti-fraud technology.
- Get right to printing without delays or mess—quickly replace your cartridge using auto seal removal and easy-open packaging.

Stay connected with easy mobile printing options

- Easily print from a variety of smartphones and tablets—generally no setup or apps required.[4]
- Count on wireless direct printing[6] in the office—from mobile devices—without accessing the company network (M426dw and fdw models only).
- Empower workgroups to print with just a touch of their NFC-enabled mobile device to the M426fdw MFP—no network needed.[7]
- Easily set up, print, and share with built-in Ethernet networking. Choose the M426dw or M426fdw model for wireless networking.[5]

Speed through more tasks. Keep data protected.

Shift your office into high gear with this powerful MFP that doesn't keep you waiting. Print your first page and produce two-sided prints faster than the competition[3] and scan quickly. Keep your device, data, and documents safe—from the moment you boot up to the moment you shut down.

Make the most of your workspace—this smallest MFP in its class[3] is the perfect fit

HP JetAdvantage Security Manager
Secure your HP printing fleet with the solution Buyers Laboratory (BLI) calls trailblazing.[23]

Fast scanning, simple sending

Scan fast with single-pass, two-sided scanning (M426fdn/fdw models), and send your work quickly to more places—without using your PC. Scan documents directly to email, USB, network folders, and the cloud.[17] Improve productivity with corporate email directory lookup for digital sending.

Fast two-sided printing

Breeze through multipage documents with two-sided printing up to 30 ipm, A4[9]—faster than the competition.[3] Complete tasks quickly and efficiently. Plus, reduced paper use helps lower printing costs.

Start printing fast, directly from sleep mode

Grab the documents you need and go. This MFP wakes from energy efficient sleep mode and starts printing in as fast as 8 seconds, A4[15]—faster than the competition,[3] so your pages are ready right when you need them. Speed through big jobs with print speeds up to 38 ppm, A4.[9]

Feed documents without the hassle

The 50-page automatic document feeder (ADF) offers convenient, unattended copying, scanning, and faxing[1] for multipage documents. Simply place your originals in the ADF and walk away or attend to other tasks. Use the 216 x 297 mm flatbed scanner to copy and scan non-standard and bound material.

Achieve a higher level of security and control

Help avoid additional expenses with private printing. HP JetAdvantage Private Print[20] helps prevent unauthorised access to confidential print jobs stored in the cloud. Users get the flexibility to pick up jobs at any compatible device. Or, enable encrypted job storage by plugging a flash drive into the USB port located on the back of the device.[8] Release jobs by entering a PIN at the MFP.

Embedded security features for greater protection

Keep printing safe, from boot up to shut down. This MFP uses embedded security features to guard against complex threats—so you can be confident your device, data, and documents are protected.

With Pro series security, you can define which clients/devices are allowed on the network, manage the industry-standard of SNMP configuration, and decide which ports/IP addresses have access to printer features. Control device access with LDAP authentication. Utilise data encryption and optional password settings for wireless direct printing[6] for improved security.

Streamline fleet security

HP JetAdvantage Security Manager delivers the most comprehensive printing security in the market, with policy-based protection for printing and imaging devices.[23]

Easy management.
Efficient operation.

Produce the documents you need to keep work flowing while conserving power. This energy-efficient MFP is easy to manage and use. Print Microsoft Word and PowerPoint documents directly from the USB port,[19] using the intuitive touchscreen.

Task management with a simple touch

Easily manage print jobs directly at the MFP, without having to access a PC. Just tap and swipe the intuitive 7.6 cm colour touchscreen to make workflow easier.

Print Microsoft Office documents—right from your USB drive

Enjoy the flexibility of printing Microsoft Word and PowerPoint documents you work with every day, now directly from your USB drive.[19]

Use only the resources you need

Keep productivity up and energy use down. This efficient MFP uses less energy than competitors[22] without slowing down— enhanced by Original HP Toner cartridges with JetIntelligence.

With its intelligent design, this MFP can help you meet your energy goals, without sacrificing performance:

- HP Auto-On/Auto-Off Technology turns your MFP on when you need it and off when you don't.[24]
- With Instant-on Technology, the fuser warms rapidly and cools quickly, helping you conserve energy.[25]
- The MFP M426 series is ENERGY STAR® certified.
- Support for thin media allows users to print on papers as light as 60 g/m^2.

Manage your business printing with ease

IT can easily manage the essential features of the M426 series using management solutions such as HP Web Jetadmin[21] and HP Universal Print Driver.[26] Get standard monitoring and reporting (such as page counts and supply status), core fleet configuration and security settings, and basic management and policy tools. IT can quickly and easily apply printing rules across your fleet—to help meet environmental goals, improve security, and help reduce operating costs.

Support for Remote Print Monitoring enables automatic information collection and dynamically updated usage reports for the portal.

Manage the printer right at your PC

For simple one-on-one management, connect via the network or USB to the product's HP Embedded Web Server. Here you can easily view supplies status, adjust device settings, access up-to-date troubleshooting guides, and more.

Reduce your impact— recycle HP cartridges

HP helps you recycle your Original HP cartridges—it's easy and convenient with the HP Planet Partners programme, available in more than 50 countries and territories around the world.[27]

More. Pages, Performance, and Protection.

Bring out the best in your MFP. Print more consistent, high-quality pages than ever before,[2] using specially designed Original HP Toner cartridges with JetIntelligence. Count on better performance, higher energy efficiency, and the authentic HP quality you paid for—something the competition simply can't match.[2]

Original HP Toner cartridge with JetIntelligence

More pages than ever before[2]
Be confident you're getting the most out of every cartridge you buy. HP JetIntelligence Toner cartridges deliver 30% more pages[2] than ever before with page maximiser technology. Consistently predict toner levels with print gauge technology.[28]

HP quality—print after print
Precision black toner is engineered to deliver consistent placement of toner particles and produce sharp text, bold blacks, and crisp graphics. It is precisely tuned to match the powerful performance of the M426 MFP series.

Protect your investment
Don't be fooled by cartridges that attempt to mimic Original HP. Innovative anti-fraud technology helps identify whether a cartridge is Original HP, used, or counterfeit—to help ensure you're getting the authentic HP quality you paid for.

High yield, low intervention
Don't waste important business time replacing toner cartridges. Optional high-yield cartridges enable uninterrupted printing for longer periods of time.[14] The M426dw and M426fdn models ship with a high-capacity cartridge, allowing you to print up to 9,000 pages before purchasing a replacement cartridge (Russia only).

Ready to work, right away
Speed through print jobs right out of the box—without even opening the cartridge door. The M426 series is shipped with preinstalled, specially designed Original HP Toner cartridges with JetIntelligence—ready to print.

Start printing quickly and easily
Get right to printing without delays or mess—quickly replace your cartridges using auto seal removal and easy-open packaging.

More pages

Original HP Toner cartridges with JetIntelligence are re-engineered for higher ISO yields[2] and more dependable toner level status.[28]

Page maximiser technology
- More pages per cartridge than previous generations of HP toner cartridges[2]
- Smaller, more robust parts[30]
- Less cartridge wear[30]

Print gauge technology
- More dependable gauges[28] to ensure you get the most prints possible from your cartridges

More performance

Reformulated toner that supports more pages[2] in a smaller, faster device and uses less energy to print a page.[29]

Precision black toner
- Spherical shape = more pages, sharp text, bold blacks and crisp graphics
- Encapsulated design = less energy; enables faster print speed

More protection

Get the authentic HP quality you paid for and avoid potential problems. Help manage business costs and maintain quality standards across your fleet.

Anti-fraud technology
- Helps you identify the difference between Original HP and used or counterfeit cartridges
- Supports policies you set for your printing fleet

Auto seal removal
- Skip a step—the toner seal is automatically removed for you
- Get right to printing without delays

Stay connected with easy mobile printing options

Keep your business nimble when needs shift or opportunity strikes—in the office or on the go.[4] With the M426fdw/dw models, you can print wirelessly with or without accessing the network.[5,6] Choose the M426fdw model to print with just a touch from mobile devices.[7]

Hewlett-Packard Company
NFC/WiFi Direct

Outstanding Achievement in Innovation

Buyers Laboratory, LLC gave HP an Outstanding Achievement in Innovation award for its use of NFC/Wi-Fi Direct to bring security and simplicity to mobile printing.

Extend your printing reach
Built-in 10/100/1000 Gigabit Ethernet lets you share printing resources on a network. For wireless networking, choose the M426dw or M426fdw model.[5]

Print wirelessly from mobile devices—no network needed

The M426fdw/dw models enable wireless direct printing from anywhere in the office from smartphones, tablets, and notebook PCs.[6] Or, walk up and print with just a touch of your NFC-enabled smartphone or tablet to the M426fdw model.[7] (On Android™ devices, NFC touch-to-print is enabled via the HP ePrint app.)

There's no need to search through a long list of devices—automatically discover the nearest printer without accessing your corporate network. Security and user access settings—like 128-bit encryption and a configurable passphrase—can be easily set up with HP Web Jetadmin[21] or the HP Embedded Web Server.

Print from a variety of mobile devices

Easily print documents, emails, PDFs, and more from iPhones and iPads as well as smartphones and tablets running iOS, Android version 4.4 or later, Windows® 8/10 or Google Chrome™ operating systems—generally no setup or apps required.[4] Simply open and preview the content you want to print, select your printer, and hit Print. For mobile devices without built-in print support, users will first need to download the HP ePrint app or HP ePrint software.

Managed mobile print solutions

If you're looking to deploy mobile printing across a printer fleet, HP offers server-based solutions that provide secure pull-printing, as well as advanced management and reporting capabilities. HP also provides options to integrate with third-party mobile device management solutions. For more information, see hp.com/go/businessmobileprinting.

For non-server based pull printing, HP JetAdvantage Private Print[20] helps provide access to confidential print jobs stored in the cloud. Users can view and delete jobs, virtually anywhere, using their mobile device. Learn more at: hpjetadvantage.com/ondemand.

Notes

The world's most preferred printers (cover page): Worldwide printer marketshare, and HP printer brand awareness, consideration and preference study in 9 markets 2014.

[1] Fax capability is supported on the M426fdn and M426fdw models only.

[2] Based on ISO/IEC 19752 cartridge yields for HP 80X High Yield Black Original LaserJet Toner cartridges compared with HP 26X High Yield Black Original LaserJet Toner cartridges. Learn more at hp.com/go/learnaboutsupplies.

[3] Based on HP internal testing of top 3 leading competitors' first page out from sleep mode and duplex print and copy speed completed 8/2015. Subject to device settings. Actual results may vary. For details, see hp.com/go/Ljclaims.

[4] Wireless operations are compatible with 2.4 GHz operations only. App or software and HP ePrint account registration may also be required. Some features require purchase of an optional accessory. Learn more at hp.com/go/mobileprinting.

[5] Wireless networking is supported on the M426dw and M426fdw models only. Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections.

[6] Wireless direct printing is supported on the M426dw and M426fdw models only. Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct-capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Learn more at hp.com/go/businessmobileprinting.

[7] NFC touch-to-print is supported on the M426fdw model only. Requires a compatible NFC-printing-enabled mobile device. For a list of compatible NFC-printing-enabled mobile devices, see hp.com/go/nfcprinting.

[8] Requires purchase of separate USB flash drive with at least 16 GB capacity.

[9] Printing speed measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

[10] Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.

[11] Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Learn more at hp.com/go/mobileprinting.

[12] Supports the following devices running iOS 4.2 or later: iPad, iPad 2, iPhone (3GS or later), iPod touch (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent on physical environment and distance from the access point.

[13] Mopria-certified HP printer and mobile device must be connected to the same wireless network or have a direct wireless connection. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.

[14] HP 26X High Yield Black Original LaserJet Toner cartridge is included in printer purchase for the M426dw (F6W16A) and M426fdn (F6W17A) models.

[15] Measured using ISO/IEC 17629. For more information, see hp.com/go/printerclaims. Exact speed varies depending on system configuration, software applications, driver, and document complexity.

[16] Single-pass scanning is available on the M426fdn and M426fdw models only.

[17] Business apps require an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see hpconnected.com.

[18] Declared yield in accordance with ISO/IEC 19752 and continuous printing. Actual yields vary considerably based on images printed and other factors. Learn more at hp.com/go/learnaboutsupplies.

[19] Feature works with Microsoft Word and PowerPoint 2003 and later. Only Latin language fonts are supported.

[20] HP JetAdvantage Private Print is available at no charge and requires that the printer or MFP be connected to the Internet with web services enabled. Not available in all countries. For more information, see hpjetadvantage.com/ondemand.

[21] HP Web Jetadmin is available for download at no additional cost at hp.com/go/wja.

[22] Based on HP testing using the ENERGY STAR programme's Typical Electricity Consumption (TEC) method or as reported in energystar.gov of top three leading competitors as of 8/2015. Actual results may vary. For details, see hp.com/go/Ljclaims.

[23] Based on HP Internal research on competitor offerings (Device Security Comparison, January 2015) and Solutions Report on HP JetAdvantage Security Manager 2.1 from Buyers Laboratory LLC, February 2015. HP JetAdvantage Security Manager must be purchased separately. To learn more, please visit hp.com/go/securitymanager.

[24] HP Auto-On/Auto-Off Technology capabilities are subject to printer and settings. May require a firmware upgrade.

[25] Compared with products that use traditional fusing.

[26] The HP Universal Print Driver is available for download at no additional cost at hp.com/go/upd.

[27] Programme availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries, territories, and regions in Asia, Europe, and North and South America through the HP Planet Partners programme. For more information, visit hp.com/recycle.

[28] As compared with cartridge gauges for predecessor products.

[29] As compared with previous generation of HP LaserJet printers.

[30] As compared with previous generation of HP LaserJet toner cartridges.

[31] First copy out and copy speed measured using ISO/IEC 29183, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

[32] HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

[33] HP recommends that the number of scanned pages per month be within the stated range for optimum device performance.

[34] Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

[35] Not all "Compatible Operating Systems" are supported with inbox software; Full solution software available only for Windows 7 and newer; Legacy Windows Operation Systems (XP, Vista, and equivalent servers) get print drivers only; Windows RT OS for Tablets (32-bit and 64-bit) uses a simplified HP print driver built into the RT OS; UNIX Modelscripts are available on hp.com (Modelscripts are printer drivers for UNIX operating systems); Linux systems use in-OS HPLIP software; HP Software for Mac is no longer included on the CD, but can be downloaded from hp.com - the Mac driver and Mac Utility are installed for Mac operating systems.

[36] USB cable is included with the M426dw and M426fdw models only.

[37] Acoustic values are subject to change. For current information see hp.com/support.

[38] Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

[39] EPEAT Silver registered model of this product is available where HP registers imaging and equipment products.

[40] Service levels and response times may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit hp.com/go/cpc.
