<sup>1</sup> Cost per page claim compares the majority of colour laser MFPs <€400 excluding VAT, August 2013; for details see [www.hp.com/officejet](http://www.hp.com/officejet). OJ Pro ISO yield with highest-capacity cartridges based on continuous printing; see [www.hp.com/go/learnaboutsupplies](http://www.hp.com/go/learnaboutsupplies).

<sup>2</sup> Mobile device must be connected directly to the WiFi network of a wireless direct-capable printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the printer.

<sup>3</sup> Check your compatible device's official app store for download availability. Requires an Internet connection to an HP ePrint-enabled printer. Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Print times and connection speeds may vary. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. Learn more at [hpconnected.com](http://hpconnected.com).

<sup>4</sup> Requires a wireless access point and an Internet connection to the printer. Services require registration. Printable availability varies by country, language, and agreements, and may require a firmware upgrade. Not all Printables can be set up for automatic delivery and not for all printer models. For details, visit [hp.com/go/hpconnected/help/printables](http://hp.com/go/hpconnected/help/printables).

<sup>5</sup> Requires a wireless access point and an Internet connection to the printer. Services may require registration at [hpconnected.com](http://hpconnected.com). Availability varies by country, language, and agreements.
