

The B4500 Series Multifunction Products

A cost-effective, desktop solution for the individual user

Combining a whole host of features that will maximise business productivity, the compact B4525 MFP is ideal for the individual or small office. Not only can colour scanning, sending and faxing a two-sided document be done in one manipulation, but the B4525 MFP also comprises a high capacity paper tray and an automatic document feeder, which enables unattended scanning, copying and faxing for low user intervention.

The B4525 MFP's fast, 20 pages per minute print speed keeps productivity high, while its impressive monthly duty cycle is evidence of hassle-free printing and copying. And for better management of archived information, award-winning PaperPort® document management software allows you to scan any PC file, document or image to pdf quickly and easily.

Highlights:

- 20 pages per minute print speed
- 64MB RAM memory
- Flat bed colour scanning for flexible copy handling
- 50 sheet automatic document feeder as standard
- 2.5 second modem transmission enables professional business class faxing
- Duplex colour scanning
- Award winning PaperPort® document management software
- Ask OKI button — leads to a dedicated support website for the B4525 MFP
