Outstanding Performance

The Samsung ML-1510, ML-1710 and ML-1750 have the power and speed to upgrade your own work performance.

- Print speed (A4) : 14 pages / minute for ML-1510, 16 pages / minute for ML-1710 and ML-1750.
- Noise reduction : an amazingly low 52db while printing and only 35db on standby.
- Resolution : crisp image resolution at 600 x 600 dpi, or 1,200 x 600 dpi (ML-1750 only).
- Increased paper capacity : 250 sheet cassettes as standard.
- Various media : supports all standard paper, envelope, label and card sizes.

Economical Features

The ML-1510, ML-1710 and ML-1750 are not only competitively priced, they also have built-in features to save you money.

- Toner save button : allows you to save up to 40 % of your toner so you can replace your cartridges less frequently and save money while still producing high quality prints.
- Paper saving : lets you create reduced sized copies (2-up, 4-up, maximum 16-up) on one page.

Advanced Digital Capability

Samsung digital printers are packed with new features to save you time and increase your productivity.

- Various OS : works equally well in Windows, Mac and Linux environments, with a wide range of compatibility.
- Easy installation : only 4 clicks, with no need to re-start your PC once installed.
- Interface : standard USB 2.0 ports (ML-1750 only) are up to 40 times faster than before to prevent bottlenecks between your PC and printer.

Stunning Design

The ML-1510, ML-1710 and ML-1750 are ergonomically designed for ease-of-use, with a size, shape and two-tone color scheme (grey/blue or grey/grey) to complement any modern, small office setting.

- Compact and stylish : the world's smallest cassette-based digital black-and-white printer fits neatly into your office, freeing up valuable desk space.
- Simple to use : toner and paper replacement couldn't be simpler with easy front-out access panels.
