

## DESIGNED WITH YOUR BUSINESS IN MIND: HIGH PERFORMANCE PRINT, COPY AND SCAN

The Brother DCP-9270CDN is the perfect office companion for small or medium sized businesses. With three distinct functions – high speed print, copy and scan (single or double-sided), this versatile machine will answer all your demands for a machine that combines flexibility with sheer hard work. Here's why:

It's super-fast – delivering printing and copying speeds in colour and black and white, up to 28 pages per minute. What's more, the super high yield toners maintain high print quality whilst keeping costs down. You can print up to 800 sheets without re-stocking when you use the optional 500 sheet lower tray, plus the 50 sheet automatic document feeder is great for multiple scanning and copying of large print runs. Thanks to its large colour LCD touchscreen, the DCP-9270CDN is not only easy to operate but also easy to navigate too. And for total security, it has access restriction to control usage within the office.
