# HL-1430

## Efficiency

**HL-1430**

Windows® & Mac™ Laser Printer

Up to 14ppm

Windows®  
Compatible

USB and  
Parallel as  
Standard

Mac™ OS  
Compatible

Delivering up to 14 pages per minute at 600 x 600dpi resolution, Brother's new mono laser printer gives you the professional standards you require in the home or in the office.

The HL-1430 comes with 4MB memory as standard, 250-sheet paper capacity and wide compatibility for Windows® and Macintosh™ computing environments, all in a discreet, elegant machine that takes up very little desk space.

It is quick and easy to install and includes the benefit of comprehensive technical support with Windows® interactive animations, giving a step-by-step guide to your new printer. For additional peace of mind you also enjoy direct access to the Brother Solutions Centre web site.

And as with all Brother printers, the easy to replace consumables require little effort and no fuss.

The HL-1430 brings total efficiency to your home or office.

- **Up to 14 pages per minute print speed**
- **Up to 600 x 600 dpi resolution**
