

brother[®]
at your side

**Get your
business really
moving with our
fast compact
colour printers**

**COMPACT COLOUR
PRINTERS
3000 SERIES**

**MORE EFFICIENT
FAST COLOUR
PRINTING**

A man in a grey sweater and tan pants stands on the left, leaning over a wooden desk. A woman with blonde hair, wearing a red cardigan and tan pants, sits at the desk on the right, looking at a document he is holding. The scene is brightly lit, and the background is a plain white wall. The image is framed by a red border on the left and right sides.

**Don't wait for
colour any
longer – print in
colour as fast
as mono**

When you're in charge of a busy, growing business you need reliable, speedy print solutions. What you don't need is your colour printing to slow you down.

Brother's range of compact colour printers offer you fast, high quality colour *and* mono printing – without the fast lane price tag.

Introducing our compact colour range

Whatever your business demands, Brother will find the answer to perfectly suit your requirements. Whether you require your printer to be network-ready, wireless or have a USB host, we've a printer at the right price and the right specification for you.

Quick and easy colour printing

Enjoy impressive, high-speed colour printing from a compact, space-saving printer. Both printers have a full colour and mono print time of 16 pages per minute and their large paper trays make them the ideal choice for a small office environment. Now that's got to be good for business.

Saving you money

Keeping a close eye on costs? Both printers in the 3000 series have money-saving features like the 'Colour Restriction Tool' which allows you to manage who uses colour and who uses mono. These features, plus our environmental and low energy accreditations, all add up to great savings.

Neat and compact – the fast-paced colour printers, ideal for growing businesses

Fast print speeds, low running costs and professional print quality all enclosed in a small, space-saving unit.

Save time

with fast 16ppm colour and mono print speeds

Save money

on the cost of multiple devices with a built in network that allows you to share the printer with up to 5 users

Less refilling

with large 250 sheet paper tray

More efficiency

with direct printing from your USB

Environmentally friendly

with Energy Star and Blue Angel certified energy efficiency

HL-3070CW

Here are a few pointers to help you choose

You know what you need from your printer and what will be useful to you. While you can expect hi-spec features we're not here to blind you with science. So to help put you in the picture, take a look at the handy table below, which will make it easy for you to choose the right one.

| Compact Colour Printers |  HL-3040CN |  HL-3070CW |
|------------------------------|---|---|
| 16ppm colour / mono printing | ● | ● |
| Network ready | ● | ● |
| Wireless network ready | ● | ● |
| Secure printing | ● | ● |
| USB host port | ● | ● |
| Poster printing | ● | ● |
| 250 sheet paper tray | ● | ● |

Space-saving technology

The technology inside our 3000 series printers allows you to enjoy high-resolution laser-quality printing from a more compact, space-saving printer. Which makes them the ideal choice for small businesses.

HL-3040CN

HL-3040CN

Choose a low cost networked colour printer...

Cut costs and make office life easier with the HL-3040CN, an innovative network-ready colour printer. It has in-built cost-saving capabilities too. It allows you to reduce paper and toner use, manage print costs and share resources among several users. Plus its compact size makes it easy to own. Just plug in and you're ready to go!

HL-3070CW

...or step up to a high spec printer with wireless

When only wireless will do, let the compact HL-3070CW tackle your print job. Print directly from a USB Flash Memory Drive or from your digital camera using PictBridge, without using your computer. This high-spec colour printer comes complete with a range of features to save you both time and money.

Awarded 100 out of 100 by the Ethical Company Organisation for the third year running

Green and clean

Our models use non-hazardous materials and are designed to be recycling friendly to meet the renowned Energy Star and Blue Angel environmental standards. As a company our environmental and ethical standards are second to none. All Brother consumables can be recycled for free at our award-winning plant in North Wales. We were even awarded 100 out of 100 by the Ethical Company Organisation for the third year in a row – the only printer manufacturer to achieve this.

And our commitment to the environment now includes sponsoring 4 square kilometres of Amazon rainforest in partnership with Cool Earth, which protects endangered areas to help combat global warming.

Little extras to make you feel good

No one wants to feel ‘stranded’ so in the unlikely event of something going wrong with your printer we’re happy to take control. You’re covered by a 12 month warranty plus 24 hour online support and a dedicated helpline during office hours.

Cleverly designed consumables

Get the most from your Brother printers by using specifically designed consumables. When the toner runs out simply replace it with the one specially designed for use in your model – it’s long-lasting, great value and knows exactly what your model needs to run at its very best.

Technical Specifications HL-3040CN & HL-3070CW

HL-3040CN

| General | |
|--------------------------|--|
| Technology | Electrophotographic LED printer (Single Pass) |
| Print Speed | A4 Up to 16ppm Colour & Mono |
| Warm Up Time | 27 seconds (from sleep mode) |
| First Print Out Time | 16 seconds (Colour), 15 seconds (Mono) |
| Resolution | Up to 2,400 x 600dpi† print resolution |
| Processor | 300MHz |
| Memory Capacity | 32MB. Expandable up to 544MB, using industry standard 1 x SO-DIMM (144 PIN) slot |
| Interface | Hi-Speed USB 2.0 |
| Network | 10/100 Base-TX |
| Protocols | TCP/IP (IPv4 & IPv6) |
| IPv4 Supported Protocols | ARP, RARP, BOOTP, DHCP, APIPA(Auto IP) WINS/NetBIOS name resolution, DNS Resolver, mDNS, LLMNR responder, LPR/LPD, Custom Raw Port/Port9100, IPP/PPS, FTP Server, TELNET Server, HTTP/HTTPS server, TFTP client and server, SMTP Client, APOP, POP before SMTP, SMTP-AUTH SNMPv1/v2c/v3, ICMP, LLTD responder, WebServicesPrint, SSL/TLS |
| IPv6 Supported Protocols | NDP, RA, DNS resolver, mDNS, LLMNR responder, LPR/LPD, Custom Raw Port/Port9100, IPP/PPS, FTP Server, TELNET Server, HTTP/HTTPS server, TFTP client and server, SMTP Client, APOP, POP before SMTP, SMTP-AUTH SNMPv1/v2c/v3, ICMPv6, LLTD responder, WebServicesPrint, SSL/TLS GDI [Host Based] Display 1 line LCD display with 16 digits 2 LEDs (data, error) |
| Paper Handling | |
| Paper Input | 250 Sheets Standard Paper Tray Single Sheet Manual Feed Slot |
| Paper Output | 100 Sheets (Face Down) 1 Sheet (Face up) Straight Paper Path |
| Media Specifications | |
| Media Types | Standard Paper Tray - Plain, Recycled paper, Thin paper, Manual Feed Slot - Plain Paper, Thin Paper, Thick Paper, Recycled Paper, Bond, Label, Envelope, Thin Envelope |
| Media Weights | Standard Paper Tray - 60 to 105g/m ² (16 to 28lb) Manual Feed Slot - 60 to 163g/m ² (16 to 43lb) |
| Media Sizes | Standard Paper Tray - A4, Letter, ISOB5, A5, ISOB6, A6, Executive, Legal, Folio, Manual Feed Slot - Width 76.2mm to 220mm, Length 116mm to 406.4mm |
| Supplies | |
| Inbox Toners | 1,000 pages* C, M, Y |
| Toner Black | 2,200 pages* BK |
| Standard Toner Colour | 1,400 pages* C, M, Y |
| Drums | 15,000 pages (one page per job) C, M, Y, BK |
| Belt Unit | Up to 50,000 pages |
| Waste Toner Box | Up to 50,000 pages |

HL-3070CW as above plus:

| General | |
