Brother DCP-120C

The stylish DCP-120C is a compact, easy to use machine with trouble free installation, making printing, scanning and copying effortless. Whether printing simple text documents or complex colour photographs, the DCP-120C produces crisp, clear prints quickly and efficiently. The DCP-120C produces quality copies without the need for a PC. The automatic document feeder saves you time manually feeding multi-page

documents, whilst the flatbed accommodates bound documents, therefore enabling you to copy and scan from a range of sources. By including all the necessary software, you have instant access to a range of scanning features. You can effortlessly translate documents from a wide variety of languages using Brother's scanning software in conjunction with Systran Webtranslator 5.0 software.

- Print at up to 20ppm mono, 15ppm colour
- Borderless printing
- Up to 10 sheet automatic document feeder
- Scan & Translate

- Up to 6,000dpi print resolution
- Up to 100 sheet paper capacity
- 8MB memory
- PhotoCapture Centre™. Compatible with the most popular media cards

Creating glossy, high resolution colour photos has never been easier. Capture every colour and detail with borderless printing in a variety of media sizes. Compatible with the most popular media cards, the PhotoCapture Centre™ can also be used as an additional drive, enabling you to transfer digital photos and other documents on your media card to and from your PC or Mac safely and effectively.

All Brother colour multi-function products come complete with full yield individual colour ink cartridges, so colours can be replaced separately.
