Brother MFC-425CN

The MFC-425CN offers high performance colour printing, faxing, copying and scanning with integrated networking as standard. A well designed control panel and two-line LCD display guides you through every function, making operation simple. This all-in-one houses the very latest fax technology, allowing you to send and receive both mono and colour messages with compatible machines. Full network capability enables

documents to be faxed from any connected PC or laptop. By providing both an automatic document feeder and flatbed, you can fax, copy and scan from a range of media.

Brother provides you with all the necessary software, allowing you to access a range of scanning features across a network of users.

You can effortlessly translate documents from a wide variety of languages using

- Print at up to 20ppm mono, 15ppm colour
- Borderless printing
- Up to 10 sheet automatic document feeder
- Colour faxing with up to 80 speed dials
- Scan & Translate

Brother's scanning software in conjunction with Systran Webtranslator 5.0 software.

Compatible with the most popular media cards, the PhotoCapture Centre™ offers fast and easy photo printing.

This feature also acts as an additional drive on your computer, enabling you to save and retrieve digital photos and other documents safely and effectively.

- Network ready
- Up to 6,000dpi print resolution
- Up to 100 sheet paper capacity
- 16MB memory
- PhotoCapture Centre™. Compatible with the most popular media cards

All Brother colour multi-function products come complete with full yield individual colour ink cartridges, so colours can be replaced separately.

Technical Specifications MFC-425CN
