Dell Multifunction Colour Laser Printer 3115cn

Key Features

- Dell's new colour laser multifunction printer delivers fast, high-quality printing, copying, scanning and mono fax in one economical and space-saving device
- Small footprint only 460 x 570 mm
- Standard networking is ideal for departmental or workgroup use
- Optional duplex unit for print both sides' capability
- Crisp output quality in stunning colour at 600 x 600 dots-per-inch
- Set user access limits or quotas on colour printing with included ColourTrack2TM software

Productivity

- High-performance print speed up to 17 A4 pages per minute in colour, 30 ppm in monochrome with a typical print volume of 1000 to 7000 pages per month
- Economical to run with high-capacity toner cartridge capability for optimal cost-per-page
- Wide range of supported media including labels, envelopes, cardstock and transparencies
- Easy to use graphical LCD front panel
- Document management software included

Connectivity

 Ethernet networking, Parallel port and USB 2.0 connectivity as standard

Environmental Benefits

 Each new Dell printer includes full instructions on how to dispose of your old printer quickly, safely and at no charge, using an approved recycling facility

Designed for departmental or workgroup use, with networking as standard, the **Dell Multifunction Colour Laser Printer 3115cn** provides fast and high-quality A4 printing, copying, scanning and mono facilities. This innovative device saves office space, consumables and maintenance costs and avoids the need for multiple power points by replacing separate printer, fax machine, scanner and copier with one economical and small footprint unit.

With print speeds up to 17 pages per minute in colour, 30 pages per minute in monochrome, and a typical monthly print volume of 1000 to 7000 pages per month, you won't be kept waiting long for printed materials even in the busiest of offices.

Running costs are very competitive in both monochrome and colour print modes, and this printer can be fitted with high-capacity toner cartridges for optimum economy. Network software to monitor and control user access to colour output and document management software are included as standard, as are 12 months next day onsite service cover (extendable for up to five years' total cover). Other innovative features include Dell's Toner Management SystemTM, which notifies you when toner levels are low and cartridges are due to be replaced, and easy ordering of replacement consumables.

Dell makes it easy to get more out of printers

Easy to own

- Quick setup, easy installation and configuration
- Networked as standard ideal for departmental or workgroup use
- Typical monthly print volume 1000 to 7000 pages per month
- Economical to run high-capacity toner cartridges
- ScanSoft PaperPort document management software included
- Optional duplex unit for 'print both sides' capability
- Wide range of supported media including labels, envelopes, cardstock and transparencies
- Easy to use graphical LCD front panel
- Localised printer driver and documentation available in nine European languages
- Supports standard Printer MIB specification for network compatibility with leading printer management software
- 12 months' Next Business Day (NBD) on-site service as standard with extended warranty service options available

Easy to use

- Fast, high-quality printing, copying, scanning and mono or colour fax in one economical space saving device
- High-performance print speed up to 17 A4 pages per minute in colour, 30 ppm in monochrome
- Crisp output quality in stunning colour at 600 x 600 dots-per-inch
- Dell Toner Management System automatically monitors level of toner and consumables which are clearly displayed on the LCD operator panel
- Dell ColorTrack™ 2 network software included permits setting of user access limits or quotas on both monochrome and colour printing where required

Dell Multifunction Colour Laser Printer 3115cn

Features	Description
Product description	Networked colour laser multifunction printer for small and medium workgroups
Functionality	Fast, high-quality colour printing, copying, scanning and mono fax in one economical and space-saving device
inter specifications	
Print speed ¹	Colour output up to 17 A4 pages per minute (ppm), monochrome up to 30 A4 ppm
First page out time	From 'Ready' state (Simplex A4, 600 dpi) monochrome, 16 seconds or less; colour, 17 seconds or less
Print resolution	600 x 600 dpi

User interface 4 line x 20 character backlit LCD text, 4 button / 5 way cursor keypad, 13 numeric keys PCL® 6 emulation (includes PCL 5e), Adobe® PostScript® 3™, **Data streams** 32 bit and 64 bit Processor 400 MHz

Memory (RAM)

256 MB standard (128 MB for printing, 128 MB for scanning/ copying/faxing), 1152 MB maximum Up to 1024 MB available for optional memory extension via one 200 pin DDR2 DIMM slot. (Minimum 256 MB additional memory Memory expansion required for operation of copy-collate function.)

Duty cycle Maximum 60,000 pages per month **Typical Monthly Print Volume** 1000 to 7000 pages per month

Scanner specifications

Mode Flatbed or ADF (Automated Document Feeder) **Optical resolution** Up to 600 x 600 dots per inch (dpi) **Network scanning facilities** E-mail, client, server Scan formats supported TIFE .IPEG (.IEIE) PDE

Fax specifications

Mode Standalone mono or colour fax with numerical keypad; outbound fax from network-connected PC supported

Compatibility TU-T G3 / Super G3, ITU-T ECM

PSTN, PBX, fax feature supported on ADSL telephone line using **Communication System**

appropriate line splitter

Speed 33.6 Kbps Speed dial Up to 200 locations

Memory size 4 MB

Automatic Document Feeder (ADF) pecifications

Capacity 50 sheets Supported paper sizes Fast scan direction - maximum 216mm, minimum 148mm Slow scan direction - maximum 355mm, minimum 210mm

Paper handling

150 sheet multipurpose tray, 250 sheet covered drawer Standard input sources Additional input drawers One optional drawer can be fitted (550 sheet capacity) 950 sheets (150 multipurpose tray standard + 250 sheet drawer standard + optional 550 sheet drawer) **Maximum input capacity**

Optional duplex unit is quickly and easily installed without **Duplex facility (print both sides)**

adding to printer footprint

250 sheet bin Standard output destination 250 sheets **Maximum output capacity** Supported media types, sizes and

Media types supported: Paper or coated paper, transparencies, labels, envelopes, cardstock, recycled paper paper weights Multipurpose tray

Sizes supported: A4, B5, A5, envelopes DL (LEF/SEF) and C5 (SEF), size 76mm to 220mm long, 98mm to 355mm long, paper weight 60 to 215 asm

A4, B5, A5, custom size 148mm to 216mm wide, 210mm to Standard 250 sheet drawer and

optional 550 sheet drawer 355mm long, paper weight 60 to 215 gsm

Optional duplexer A4, B5, A5, custom size 148mm to 216mm wide, 210mm to 355mm long, paper weight 65 to 160 gsm $\,$

Portrait or landscape orientation, multiple copies, duplex printing Page layout options

(print both sides) (optional), multipage printing (N-up) booklet printing, watermarks, overlays

Edge of paper margins Top, 4mm; bottom, 4mm; left, 4mm; right, 4mm

Interfaces

Hi-Speed USB 2.0 port (type B connector), Ethernet 10/100 BaseT port, IEEE 1284 Parallel Port (cables not included)

Transport/Network protocols

Latest printer drivers available from http://support.euro.dell.com TCP/IP & UDP/IP (LPD, Port9100, IPP², SMB², Netware v 5 and above³, FTP, HTTP, HTTPS², RARP, AutoIP, WINS², SMTP, FTP, DDNS², SNMP, DHCP, BOOTP, mDNS²I; NetBEUI (SMB²); Netware P-server²; Ethertalk², AppleTalk²

Dell Wireless Printer Adapter 3310 USB² - IEEE 802.11b/g. WiFi® certifiedf. Security Protocols: WPA - PSK (TKIP or AES), WEP (64 bit and 128 bit) Wireless options

- Notes

 Print speed quoted refers to A4 page using default print mode (600 x 600 dpi simplex).

 Actual print speed may vary depending upon system configuration, software application and document complexity.

 Requires optional Multi Protocol card.

 Available for versions later than Notware 5.

 Dell Wireless Printer Adapter 3310 USB is Wi-FI CERTIFIED and supports WEP, WPA and WPA2-Personal security protocols.

 Black and colour toner yield based on testing in accordance with ISO/IEC 19798. Yields vary with usage and environmental conditions.

- Meets the requirement of the EU Directive on the restriction of use of certain hazardous substances in electrical and electronic equipment dated 27. January 2003.

 Service may be provided by third party, Technician will be dispatched if necessary following phone-based troubleshooting. Subject to parts availability, geographical restrictions and terms of service contract. Service timing dependent upon time of day call placed to Dell. Defective unit must be returned. Replacements may be refurbished.

 Typical measurements based on ISO 7779.

 Tested in accordance with ISO 1779 and reported in accordance with ISO 9296, Acoustics Declared noise emission values of computer and business equipment.

Consumables Toner management

In conjunction with the printer and software, features include toner level reporting, low toner alerts, auto-generated alert e-mails, toner conservation, and the Dell Consumables Management System™ Dell ColourTrack™ 2 network software (included) permits setting up of user access printing rights and print quotas in monochrome and colour

The printer ships with a standard capacity black toner cartridge

Shipped toner cartridge

(approximately 5000 pages) and one each of cyan, magenta and yellow standard colour toner cartridges (approximately 4000 pages each) Standard toner cartridge capacity⁵ Standard capacity black toner cartridge is approximately 5000 pages and colour toner cartridges (cyan, magenta and yellow) are approximately 4000 pages each

High capacity toner cartridges - black, cyan, magenta and yellow - are approximately 8000 pages each High capacity toner cartridge5

Additional toner Available through Dell online or by telephone **Additional consumables** None required

Toner cartridges are recyclable using Dell's recycling programme, details of which are included with each product **Toner recycling**
