This compact personal business laser is fast, easy to use and affordable, giving you professional quality A4 black and white printing you can rely on.

High-performance personal printing

Combine print speeds of up to 20 ppm with professional quality at up to 600 dpi resolution, for perfect business letters, emails, web pages and more. This compact printer fits easily onto your desktop and is one of the only printers in its class that has parallel and USB interfaces as standard, so it's easy to connect the Epson AcuLaser M1200 to your computer and use it as your local printer.

Reliable, easy to use and maintain

Enjoy simple, reliable mono business printing with the standard multi-purpose 150-sheet paper tray and a very high duty cycle for desktop usage of up to 15,000 pages. Also, with pre-installed consumables and compatibility with all common operating systems you're ready to start printing as soon as you set up. And changing cartridges is a quick and simple operation that any user can manage.

Very affordable, low running costs

Two different toner sizes are available for added flexibility and to suit your business needs. The high capacity cartridge gives you one of the lowest costs per page in this market, while the standard size gives you a low price per cartridge. By choosing Epson Return Toner Cartridges you can save even more money and help to protect the environment too*6.

TONER CARTRIDGE COLLECTION^{*6}

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally friendly way. There are three easy ways to dispose of your empty cartridges and take an active role in reducing waste:

- Put them in a Toner Cartridge Collection box which will be picked up once full
- Return them free of charge in the post
- Drop them off at an Epson Express Centre

RETURN AND RECYCLE INCENTIVE^{*6}

Return toner cartridges provide customers with a lower priced toner cartridge on the agreement that the empty cartridge will be returned via Epson's free toner collection programme. Toner cartridge return is available only in countries where Epson collection is available.

BETTER PRODUCTS FOR A BETTER FUTURE

At Epson, we know that planning for the future requires a strong commitment to the environment. That is why we strive to create innovative products that are reliable, recyclable, and energy efficient. Better products that use fewer resources help ensure a better future for us all.
