

EPSON STYLUS PHOTO P50

EPSON STYLUS PHOTO P50

Get creative and produce better-than-lab-quality photos at home. Team it up with your digital camera for superb borderless prints up to A4 size.

This Hi-Definition photo printer uses Epson Claria Photographic Ink to produce photos that look better, and last longer, than those from the lab. You can print borderless photos up to A4 size, and 10x15 cm photos print in as little as 12 secs*².

The powerful software supplied makes it easy to enhance images and remove imperfections such as red-eye. You can also add a personal touch to your discs by printing directly onto suitable CDs and DVDs. It's cost-effective too, because with individual inks you only have to replace the colour used.

- The perfect partner for your D-SLR or compact camera
- Photos look better and last longer than those from a lab
- Borderless printing up to A4 size
- Photos last up to 98 years in a frame or over 200 years in an album*²
- Print directly onto suitable CDs/DVDs
- Start printing photos immediately with Epson Photo Paper Pack included in the box
- Save money with individual inks – only replace the colour used
