

# EPSON STYLUS PHOTO PX810FW

EPSON STYLUS PHOTO PX810FW

The elegant and intelligent Epson Stylus Photo PX810FW is a fully-featured, Hi-Definition 4-in-1 for the wireless home.

Print, scan, copy and fax from anywhere in the home with this wireless, Hi-Definition 4-in-1. It is easy to use thanks to the large, clear 19.8 cm touch panel that guides you through everything you want to do.

It prints glossy photos that look better and last longer than lab prints, allows you to personalise your CDs/DVDs with direct printing onto suitable discs, and prints A4 documents at speeds of up to 40 ppm.\*2

The Automatic Document Feeder makes faxing or copying multi-page documents fast and effortless. Its two paper trays are ideal for storing A4 and photo-size paper simultaneously, so you won't need to change paper each time you swap between photo and document printing.

It's economical too. You can save paper by printing on both sides with the included auto-duplexer. And you save money with individual inks, as you only need to replace the colour used.

- Wireless printing, scanning and faxing<sup>6</sup> from anywhere in the home
- Large 19.8 cm touch-panel for fast and easy operation
- Photos exceed lab-quality
- Auto Document Feeder for multi-page faxing, copying and scanning
- Separate A4 and photo paper trays – no need to keep changing paper
- Save paper with automatic double-sided printing
- Save money with individual inks – only replace the colour used

RECOMMENDED INKS\*1

EPSON CLARIA PHOTOGRAPHIC INK

Epson Claria Photographic Ink is a Hi-Definition, dye-based ink that gives better-than-lab-quality photos. It is the ideal partner for the latest D-SLR and compact cameras.
