

Put a photo centre in your home – choose, create and print personalised photos via a huge 17.7 cm touch screen. Use the stylus and on-screen keyboard to add messages and graphics – no PC required. Internal 100-sheet paper tray keeps things neat.

**The HP Photosmart A826 Home Photo Centre is designed for home users looking for a combination of kiosk-like ease-of-use and the convenience of a huge touch screen, built-in paper tray and lab-quality photos .**

**Print, share and enjoy your photos via a stylish home photo centre with a 17.7 cm touch screen.**

Put this stylish photo centre in your home and take the fun of photo printing to a new level. Just insert your memory card then view and print using the huge 17.7 cm colour touch screen. Enjoy a slide show of your photos anytime, using the printer as a digital picture frame. Select the ones you want to print directly from slideshows with the touch of a finger, or display multiple thumbnails. You can even print from camera phones with an optional HP Bluetooth® adapter<sup>1</sup>.

**Add messages and more to photos with the touch screen keyboard and on-board graphics.**

Turn any photo into a truly personalised memory in just minutes. Use your finger or the stylus to add messages, create artistic effects or draw in a choice of colours. Add captions, dates and descriptions using an on-screen keyboard – you can even choose your favourite font. Put the finishing touches to your work by choosing from more than 200 different borders and graphics. Automatically remove red-eye using the convenient one-touch button.

**Keep your photo paper neat and ready to print with an internal 100-sheet tray.**

Print when you want – a 100-sheet internal paper tray keeps paper always ready to print. Keep paper clean and out of the way – store a whole pack of photo paper inside the printer itself. Just lift the lid and drop in another pack to refill. Print with or without borders in all standard sizes including 10 x 15 cm and 13 x 18 cm. Print instant-drying, water-resistant photos that you can pass around straight from the printer with HP Advanced Photo Paper.

<sup>1</sup> HP bt500 Bluetooth® USB 2.0 Wireless Printer Adapter not included. Please purchase separately.
