

# HP LaserJet Pro M1217nfw Multifunction Printer

Ideal for business users with home or small offices who need an affordable, compact, full-featured HP LaserJet MFP for everyday office functions – printing, copying, scanning, faxing and wireless connectivity.

## Be more efficient with this affordable, full-featured MFP.

- Share on a network and work from anywhere in the office, using built-in Ethernet and wireless connectivity<sup>2</sup>.
- Create professional-quality documents with bold, crisp text and sharp images, using HP Original print cartridges.
- Send and receive faxes from your PC, using the 33.6 kbps fax.
- Print documents at up to 18 ppm A4. With Instant-on Technology, pages start and finish printing quickly: get a first page out in as fast as 8.5 seconds.

## Get up and running quickly and easily.

- Plug and print in as fast as five minutes: HP Smart Install<sup>1</sup> makes it easy to start printing from a PC or Netbook – no CD required.
- Set up and start printing fast with an easy-to-use, intuitive control panel. Easily make a one-sided copy of a two-sided identification card with ID Copy.
- Connect the MFP directly to a PC or Netbook via the included Hi-speed USB 2.0 port.
- Ensure reliable printing with an HP all-in-one print cartridge. Easily replace it with HP SureSupply<sup>3</sup>.

# Reduce your environmental impact and protect your bottom line.

- Get up to 50% energy savings using Instant-on Technology<sup>4</sup> and save up to four times the energy with Instant-on Copy<sup>5</sup>. Save even more with HP Auto-On/Auto-Off Technology which senses your printing activity, turning on and off automatically<sup>6</sup>.
- Reduce waste: a pre-installed cartridge decreases packaging. Recycle easily with HP Planet Partners<sup>7</sup>.
- Get more value and better results with the services, solutions, software and support of HP Total Care.
- Save energy with an ENERGY STAR® qualified MFP.

## **ecohighlights**

Save up to four times the energy with Instant-on Copy<sup>2</sup>. Reduce clutter and waste – scan, store and share documents digitally

## ENERGY STAR® qualified

1

HP Auto-On and Auto-Off capabilities subject to printer setting

2 When compared with fluorescent tubes, Instanton Copy with LED technology drops energy use by 4 times in idle mode and 1.4 times in copy mode. Please recycle your computer hardware and printing supplies. HP asset management and recycling services make responsible disposed easy.

www.hp.com/ecosolut

(IP)

1 HP Smart Install works with Windows only.

2 Wireless performance is dependent upon physical environment and distance from access point, and may be limited during active VPN connections

3 Programme features and availability may vary by country. For more information, visit www.hp.com/learn/suresupply.

4 Energy savings based on HP testing using the ENERGY STAR® programme's Typical Energy Consumption (TEC) method on HP LaserJet products with Instant-on Technology vs. top competitive models as of March 2009.

5 When compared with fluorescent tubes, Instant-on Copy with LED technology drops energy use by 4 times in idle mode and 1.4 times in copy mode

6 HP Auto-On and Auto-Off capabilities subject to printer settings.

7 HP toner cartridge return and recycling is available in 49 countries and territories around the world, covering 88% of the addressable market; see www.hp.com/recycle for detrik
