

Rely on the high-quality HP LaserJet P2014 Printer to produce professional-looking, black-and-white documents at fast print speeds, with easy compatibility, and all at an affordable price.

HP LaserJet P2014 Printer

**The perfect choice for small workteams and privileged professionals in any sized business who need a compact, black-and-white printer that offers good value, professional quality, powerful performance and reliability.**

**Powerful performance at an affordable price.**

Enjoy the dependable, high-quality output you expect from HP, combined with the performance you need – all at an affordable price. The compact HP LaserJet P2014 Printer features a 264 MHz processor and 32 MB memory for robust printing. Print any type of office document of almost any length with a 250-sheet input tray, and expand the paper input capacity with the optional 250-sheet tray. The 50-sheet multipurpose tray supports a wide range of media.

**Print professional-looking documents quickly.**

Make a great first impression with true 1200 dpi at full engine speed. Print professional-quality documents with crisp text and sharp images, quickly and reliably. Increase productivity with print speeds of up to 23 ppm. No-wait Instant-on Technology delivers a first page out in less than 8.5 seconds – even from Powersave mode. The reliable all-in-one HP LaserJet print cartridge is designed to meet your usage needs, optimise print quality and provide excellent value.

**This compact LaserJet printer fits your office environment.**

The highly reliable HP LaserJet P2014 Printer delivers a premium Windows Vista experience and supports numerous other operating systems, so you can change or update your operating system and still keep your printer. Connect easily via USB or parallel port to a standard PC or server. Add network capabilities with an optional HP Jetdirect External Print Server. The space-saving design lets you make the most of your work area.

## Technical specifications
