- Print remotely from your smartphone, tablet or computer with GOOGLE Cloud Print or KODAK Email Print⁵

1) As compared to leading consumer inkjet printers' total ink load replacement costs using manufacturers' recommended standard ink cartridges available in single quantity pricing (i.e., no multi-packs, high capacity, combo packs, value packs or special promotions); excludes printers that use only one cartridge. 2) Google Cloud Print account required. Printer and device must be connected to the Internet. Subject to service availability. Visit www.kodak.com/go/cloudprinting for details. 3) Cost of ink only. Compared to the total ink replacement cost of the leading inkjet printers using standard cartridges recommended by the manufacturer and available in single pack (no multipack, high capacity cartridges, special offers or promotions); one cartridge printers excluded. Based on results of third-party independent research in March 2011. 4) Based on Kodak internal testing on KODAK Photo and Ultimate Plain Papers. Under all common consumer display and storage environments. Smudge resistant using KODAK Inkjet Photo Papers. 5) Google account required. Printer and device must be connected to the internet. Subject to service availability. kodak.com/go/kodakemailprint for details.
