

Kodak ESP Office 6150

All-in-One Printer

Print, Copy, Scan and Fax wirelessly

Your business is an investment. Your ink shouldn't be.

Now you can expand your home business printing capabilities for less with the KODAK ESP Office 6150 All-in-One Printer. You'll be able to print, copy, scan and fax in the convenience of your home office – and with the lowest total ink replacement cost in the industry,¹ it won't put a huge strain on your bottom line. Plus, Wi-Fi set-up is incredibly simple, giving you the flexibility to print directly from a BLACKBERRY® Smartphone,² iPhone, iPod touch,³ or wireless network. If you're looking for a printer that multi-tasks as much as you do without compromising quality or budget, check out the KODAK ESP Office 6150 – the affordable home office solution for your business.

- Extremely simple Wi-Fi set-up – effortlessly connect to wireless networks with the latest Wi-Fi 802.11n technology
- Built-in Ethernet connects to a wireless router or network for shared wireless printing
- The world's first direct Wi-Fi printing solution for BLACKBERRY Smartphones²
- Print photos in multiple sizes from your iPhone and iPod touch with the KODAK Pic Flick App³
- Intuitive control panel and 6.1 cm (2.4") colour display give you quick and easy access to tasks you use the most
- 200-sheet high-capacity paper tray
- Built-in automatic double-sided printing⁴ saves time and money
- Fast and efficient faxing with 30-page auto document feeder
- Perfect Page technology – corrects your scanned images so they can actually look better than the originals
- Shorter job-to-job wait times when printing with Kodak's prerendering technology⁵
- Low-cost, high-quality pigment-based inks and porous papers that dry instantly and are water- and fade-resistant and last a lifetime⁶
- Get 70% more pages with KODAK Black Ink Cartridge 10XL⁷
- Office Ready Software helps you create professional looking materials

Print up to 32/30 ppm in black/colour ⁸	Copy up to 27/26 cpm in black/colour ⁹	Scan documents and photos up to 1200 dpi	Fast, efficient faxing at 33.6 kbps	200-sheet high-capacity paper tray	Auto double-sided printing ⁴	Print directly from your iPhone or BLACKBERRY Smartphone ²	Wireless and Ethernet networking capability

¹ As compared to leading consumer inkjet printers total ink load replacement costs using manufacturers recommended ink cartridges; excludes printers that use only one cartridge. Based on independent third party cartridge pricing survey data obtained Sept 2009. ² May not be available on all BLACKBERRY Smartphone models. ³ Compatible with iPhone (with OS 2.2 or later) and iPod touch (Second generation). ⁴ Supports 210 x 297 mm (A4) and 8.5 x 11" (US letter). ⁵ Comparison limited to KODAK All-in-One Printers utilising same paper type on subsequent print jobs. ⁶ Based on testing by Wilhelm Imaging Research (WIR) and Kodak internal testing on KODAK Photo and Ultimate Plain Papers. Under all common consumer display and storage environments. ⁷ Compared to standard KODAK Black Ink Cartridge 10B. ⁸ Based on fastest document print mode using WINDOWS OS-based PCs that meet recommended system requirements. Actual results may vary. ⁹ Maximum copies per minute.
