capacity input tray

## The printer that **exceeds** expectations, not budgets

It's time to simplify your workload and lower your ink costs with the KODAK OFFICE HERO 6.1 All-in-One Printer. It's the intelligent way to keep your budget in line and your business on the move.

- Lowest total ink replacement cost<sup>1</sup>
- Print on the go from your smartphone, computer, or tablet using GOOGLE Cloud Print enabled apps<sup>2</sup>
- Send emails and attachments to your printer from anywhere, using any email account, with KODAK Email Print Service<sup>2</sup>
- Prints dry instantly, are smudge-resistant and last a lifetime<sup>3</sup>
- Smart Sensor technology predicts supplies and time needed to complete a job, and automatically identifies paper, size, and amount
- Load paper less with the 200-page high-capacity paper tray
- Put in a stack of paper and walk away with the 35-page automatic document feeder<sup>4</sup>
- Make old documents look new with Kodak's Perfect Page<sup>5</sup> scanning technology that corrects and improves less-than-perfect originals

**ADVANCED TECHNOLOGY + PREMIUM QUALITY + AFFORDABLE INK**

**Kodak**

1) As compared to leading consumer inkjet printers' total ink load replacement costs using manufacturers' recommended standard ink cartridges available in single quantity pricing (i.e., no multi-packs, high capacity, combo packs, value packs or special promotions); excludes printers that use only one cartridge. 2) GOOGLE Cloud Print account required. Printer and device must be connected to the Internet. Subject to service availability. Visit [www.kodak.com/go/kodakemailprint](http://www.kodak.com/go/kodakemailprint) for details. 3) Based on Wilhelm Imaging Research (WIR) and Kodak internal testing on KODAK Photo and Ultimate Plain Papers. Under all common consumer display and storage environments. Smudge resistant using KODAK Inkjet Photo Papers. 4) Supports 8.5 x 11" (US letter) and 210 x 297 mm (A4). 5) Not available on MACINTOSH OS. 6) For sending faxes only. May require software update.
