LEXMARK[™]

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend, on average, up to 6% of their turnover on printing, and that active print management can cut office print costs by up to 30%¹, it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

¹ Source: InfoTrends/CapVentures., "Network Document Solutions Forecast 2007-2012, Network Document Solutions Consulting Service", August, 2008

Keep your productivity up and costs way down with the Lexmark E460 Series. Network-ready with an intuitive display, these compact monochrome laser printers offer effortless operation, confidential printing, advanced security and management tools, in addition to practical ways to lower your running costs, like integrated duplex printing and Lexmark Extra High Yield Toner Cartridges. There is even a wireless model so you can print with true wireless freedom! A great value for small and medium workgroups with big workloads and high expectations. Powerfully simple!

Powerfully simple!

With its rapid time-to-first-page, the Lexmark E460 Series is a powerful asset to your workgroup. It features everything you need to perform at your best, along with great print quality and an intuitive display to simplify your workday.

- Powerful 466 MHz processor
- First page out as fast as 6.5 seconds thanks to the instant warm-up fuser
- High-speed printing up to 38 ppm
- User-friendly 4-line graphical display

Hassle-free management

Your day is too busy to spend time on maintenance issues. The Lexmark E460 Series brings simplified management to your fingertips. Experience enhanced security and time savings with a range of high-end features you typically wouldn't expect on such an attractively priced printer.

- Lexmark remote management tools available
- Customised early-warning alerts for low toner
- 10-digit numeric pad for secure print release
- Customisable operator panel messaging
- Large input capacity, from 300 sheets standard (E460dn/dw) up to 550 sheets standard (E462dtn)

Easy on your budget

Benefit from smarter ways to save and an attractive total cost of ownership. In addition to its low acquisition price, the Lexmark E460 Series offers you cost-effective ways to expand your team's productivity and lower your total cost of printing.

- Lower page cost with Extra-High-Yield Lexmark Toner Cartridges (up to 18,000* pages with Lexmark E462dtn)
- Multiple darkness levels save up to 50% on toner
- Built-in networking for easy sharing

Prints black, thinks green

Printing responsibly means everyone wins – your business, your budget and the environment! The Lexmark E460 Series is designed with eco-conscious features to help you reduce paper and save energy.

- Paper-saving duplex printing standard
- Eco-Mode reduces power consumption
- Instant warm-up fuser saves energy
- Lexmark Cartridge Collection Programme for easy recycling

Lexmark's guarantee to you

Lexmark's One-year Exchange / One-year Return to Base guarantee on the Lexmark E Series provides added peace of mind. Enhanced service offerings may be available by contacting your Lexmark representative or visiting www.lexmark.com. Optimise your printer's performance and investment value by using genuine Lexmark supplies, service and parts.

Lexmark E460 Series

**High-endurance printing
for busy workgroups – in a compact size!**

Affordable printing

Reduce operating costs with multiple toner-level settings and the optional Lexmark Extra High Yield Toner Cartridge (18,000*).

Large standard input capacity

The ample 550-sheet standard input capacity on the Lexmark E462dtn is a helpful time saver.

Comprehensive messaging

The user-friendly operator panel includes an intuitive 4-line display, which offers you valuable time-saving guidance and assistance.

Eco-Mode

Select this printing mode to automatically lower your energy consumption and drive down paper waste and costs.

Wireless

Break free from cables with the Lexmark E460dw, a Wi-Fi CERTIFIED™ n printer for superior wireless performance.

Secure printing

Keep sensitive documents fully secure. Use the numeric pad to hold, release and protect all your confidential print jobs. It helps save paper too!

Get exactly the performance you need

Lexmark E460dn

Business-class features and performance in a compact design

- Fast! Up to 38 ppm print speed
- Built-in duplex printing reduces paper waste and cost
- User-friendly 4-line operator panel with numeric pad
- Network-ready
- Standard input capacity: 300 sheets
- 15,000*-page Extra High Yield Toner
- Recommended monthly volume: 1,500 to 10,000 pages

Lexmark E460dw

Break free from printer cables with built-in wireless connectivity

- Fast! Up to 38 ppm print speed
- Built-in duplex printing reduces paper waste and cost
- User-friendly 4-line operator panel with numeric pad
- Network-ready, plus built-in wireless support
- Standard input capacity: 300 sheets
- 15,000*-page Extra High Yield Toner Cartridge available
- Recommended monthly volume: 1,500 to 10,000 pages

Lexmark E462dtn

Tremendous value, with best-in-series standard capacity and cartridge yield

- Fast! Up to 38 ppm print speed
- Built-in duplex printing reduces paper waste and cost
- User-friendly 4-line operator panel with numeric pad
- Network-ready
- Standard input capacity: 550 sheets
- 18,000*-page Extra High Yield Toner Cartridge available
- Recommended monthly volume: 1,500 to 10,000 pages

Recommended Monthly Page Volume

«Recommended Monthly Page Volume» is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

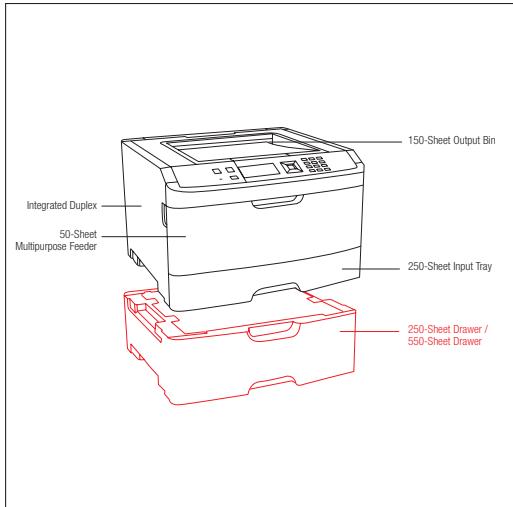

Maximum Monthly Duty Cycle

«Maximum Monthly Duty Cycle» is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.

Lexmark's guarantee to you

Lexmark's One-year Exchange / One-year Return to Base guarantee on the Lexmark E Series provides added peace of mind. Enhanced service offerings may be available by contacting your Lexmark representative or visiting www.lexmark.com. Optimise your printer's performance and investment value by using genuine Lexmark supplies, service and parts.

Environmental commitment

Lexmark believes that the environment is a critical component of responsible business management and clearly demonstrates it by implementing the "4R" strategy: Reduce, Recover, Reuse and Recycle. To learn more about these programmes please visit www.lexmark.com/recycle.

Cost saving and environmental features

- Duplex models are Energy Star compliant
- Duplex printing, print and hold, multi-up and support of recycled paper help reduce paper consumption
- Power Saver Mode reduces energy consumption
- Extra High Yield Cartridges and Lexmark Cartridge Collection Program help reduce waste
