The super-fast, ultra-reliable productivity booster!

LEXMARK™

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend, on average, up to 6% of their revenue on printing and active print management can cut office print costs by up to 30%1, it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

[1] Source: InfoTrends/CapVentures, Network Document Solutions Forecast 2007-2012, Network Document Solutions Consulting Service, August 2008

The Lexmark X650de Series packs more benefits than ever into a high-performance, space-saving multifunction laser. Power up your workgroup with reliable, ultra-fast printing and copying. Boost productivity with superior colour-scanning capabilities and efficient workflow solutions. And experience smart, new ways to lower costs while reducing the environmental impact of printing.

Enhance workflow performance!

There are enough things that can slow you down in a day – your documents shouldn't be one of them. Powerful print speeds and intelligent time-saving features team up to make your workday fully efficient and productive.

- Rapid printing and copying as fast as 53 ppm
- Rapid high-quality duplex scanning in monochrome and colour
- Optimised workflow capabilities with flexible scan destinations and formats
- Lexmark X656dte model with hard disk supports advanced features, like on-screen scan previews
- Includes advanced faxing with time-saving shortcuts (fax is optional on Lexmark X651de)

Outstanding versatility

One size never fits all. That's why Lexmark offers you more options, more versatility and more functionality for a truly customised solution. Choose from a wide range of flexible features to achieve a perfect fit for your business.

- Input options let you load up to 3,200 sheets
- Customisable touch screen for simple one-touch operation
- MyMFP lets users personalise the touch screen with the functions and shortcuts they use most
- Lexmark's Embedded Solutions Framework enables your MFP to be tailored for workflow efficiency

Cutting-edge security

The Lexmark X650de Series is equipped with state-of-the-art security to protect your valuable corporate data. It also features customisable user-access controls, allowing you to enable or disable functions with ease.

- IPSec, SNMPv3 and 802.1x network security
- Secure data encryption and disk wiping
- Industry-leading access restrictions, including LDAP
- Proactively tracks and identifies security risks

Prints black, thinks green

Lexmark multifunction technology makes it easy to reduce the amount of information you print, copy and distribute in hardcopy format. You'll save time, costs and office space, while powering fewer devices. You can also significantly reduce cartridge waste by using Lexmark's high-yield and extra-high-yield print cartridges, which boast extraordinary page yields – up to 36,000 pages.

- Eco-Mode reduces power consumption
- Built-in duplex printing saves paper
- 25,000-page and 36,000-page print cartridges reduce waste as well as lower your cost per page
- Lexmark Cartridge Collection Program offers fast, free and easy recycling

Lexmark X650 Series

Explore the features that keep you moving

Color scanning
Scan up to 75 pages at a time with the automatic document feeder

Two-sided savings
Built-in duplex printing saves you paper and money

Now showing on the big screen
All the functions you need are just a touch away

Direct USB
Front USB port for walk-up printing and scanning to memory device

High-yield and extra-high-yield cartridges
Low cost per page, fewer interventions, less impact on the environment

Paper possibilities
Expandable drawers let you load up to 3,200 sheets

Loads of benefits packed into one device!

What can device consolidation do for your business?
If you're still struggling between multiple devices across your office – printers, scanners, copiers and fax machines – then your true productivity potential is still far out of reach. But with Lexmark, there's an easy fix!

Solidly robust and competitively fast, Lexmark's industry-leading MFPs allow you to unite all your critical document functions into one high-performance device.

And the benefits go far!
You'll optimize office space and save money on hardware, consumables, service contracts and even electricity.

The Productivity Checklist
If you've got all these, then you've got a Lexmark!
Enormously intuitive touch screen
The incredibly large, fully featured colour touch screen gives you fast, easy access to document capture and workflow functions. Tailor it to your business requirements with the icons and shortcuts you need most. You can even change the background image to whatever suits you best, like your own logo.

Efficient traffic shaping
When you email a large file from your Lexmark X650de Series MFP, it won't cause a traffic jam on your network. That's because traffic-shaping technology can partition your network traffic and designate lower bandwidth for outbound flows. This is especially useful for busy networks and externally hosted Web servers.

On-screen scan previews
Before you scan and email an important image file, see how it looks and fits on the page. Should it be in colour or black and white? Is the page orientation correct? Are you sure you scanned the correct side of the page? You may also want to check the file size of the scanned document before you save or forward it on. The Lexmark X650de Series lets you preview your scan and note the file size, saving you time and eliminating errors (hard disk required).

Multitalented copying
Benefit from a rich range of advanced copy functions to boost your productivity, such as Priority Copy to temporarily interrupt long print runs; ID Card Copy to copy both sides of a card on a single sheet; Sample Copy to proof the first copy set before printing the remaining copies; and Remote Copy, which you can use to scan colour documents on your monochrome Lexmark X650de Series MFP and retrieve them from a Lexmark colour laser printer.

Personalised user settings
A real efficiency booster, Lexmark's new MyMFP feature lets multiple users save and re-access their personal settings on a simple flash drive, including their local address book, personal fax numbers, individual copy settings, and even their own touch-screen configuration. They simply walk up to the MFP, slide in their flash drive and the MFP literally transforms into their own personal device. A warm welcome each time they use it!

Effortless manageability
Take a load off your help desk. These printers are network-ready and very easy to set up. If you're installing multiple Lexmark laser devices, the Lexmark Universal Driver offers even easier deployment. Once you're up and running, Lexmark's free remote management software, Lexmark MarkVision™ Professional, keeps the workday flowing.

Lexmark's Embedded Solutions Framework
Experience more productivity than you could ever imagine! Lexmark new MFPs come solutions-ready, so you can easily opt for one of Lexmark's leading workflow-enhancing applications, such as Remote Copy, embedded Document Accounting Solution, and more. These solutions are specially designed to help you lower costs, analyse usage patterns, expand your functionality and move information more efficiently throughout your enterprise. To find out how multifunction solutions can boost your performance, call your Lexmark representative today.

Lexmark X650 Series

Get exactly the performance you need

Lexmark X651de

- Includes print, copy and scan functions
- Up to 43 ppm, as fast as 8 seconds to first page
- Customisable 7" colour touch screen
- Recommended monthly volume: 3,000 to 20,000 pages
- 650-sheet standard input, 550-sheet output capacity
- Ships with 7,000-page Return Program Print Cartridge
- Lexmark High Yield Print Cartridges available (25,000 pages)

Lexmark X652de

Same as X651de but also includes:
- High-speed faxing

Lexmark X654de

- Up to 53 ppm, as fast as 9.5 seconds to first page
- Automatic document feeder holds up to 75 sheets and scans both sides of your document in one pass
- Extra-large 9" colour touch screen
- Recommended monthly volume: 5,000 to 30,000 pages
- Ships with an 18,000-page Return Program Print Cartridge
- Lexmark Extra High Yield Print Cartridges available (36,000 pages)

Lexmark X656dte

Same as X654de but also includes:
- 80GB hard disk for expanded functionality
- Added 550-sheet drawer for 1,200-sheet total input capacity

Not all products are available in all countries

Maximum Monthly Duty Cycle
«Maximum Monthly Duty Cycle» is defined as the maximum number of pages a device could deliver in a month. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
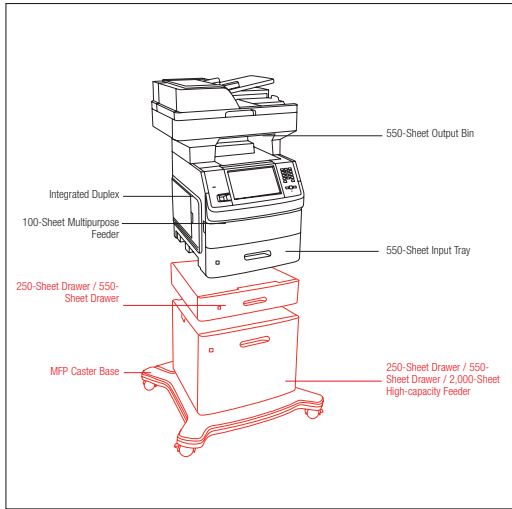

Recommended Monthly Page Volume
«Recommended Monthly Page Volume» is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
