

Sometimes true perfection
takes time.

Sometimes it doesn't.

Lexmark C524

Rapid, high-quality colour for
your fast-paced business

Full-speed ahead

Armed with a powerful 500MHz processor and 128MB of standard memory, the C524 makes light work of your complex print jobs.

Lower your cost per page

Achieve bigger savings and less intervention with the optional high-yield toner cartridges for both colour and mono.

Intelligent use of colour

Benefit not only from vivid, real 1200 x 1200 dpi resolution, but also from a wide range of features to control colour costs.

4800 Colour Quality

Up to 20 ppm
mono/colour

Aftermarket high yield
cartridges

We make printing easy

LEXMARKTM

Lexmark C524/n/dn/dtn

Powerful performance. Eye-catching results!

Innovative and easy to use, the Lexmark C524 was designed especially for workgroups with busy printing needs. It offers outstanding colour quality, powerful performance and more ways to save!

For your busy workgroup

Great colour quality comes at no compromise to performance. The C524 offers a multipurpose feeder to run diverse media. And it reaches print speeds of up to 20 ppm whether you're printing in colour or mono!

Light costs

Big print runs don't have to mean big expenses. To lower your cost per page, you can opt for the high-yield cartridges – up to 8K* pages for mono, 5K* for colour. Or for even greater savings, an automatic-duplex model to cut paper waste in half.

More possibilities

In addition to advanced security features, the network models are equipped with ImageQuick technology for fast, easy printing of Web-based documents. You can also benefit from other workflow-enhancing solutions, like Lexmark's Document Accounting Solution and Distributed Print on Demand.

Quality with total control

Sometimes you need the unbeatable 4800 Colour Quality output. But for a lot of your everyday documents, mono or draft quality may be enough. Lexmark's unique ColorCare technology puts you in control. It includes...

- Colour-access restrictions via user login and password
- Black-and-white lock modes for specific times of day
- Proof-then-print feature to reduce waste
- 3 toner-saver levels to economise toner by up to 50%
- ColourSaver mode to lighten toner use on heavy images
- Coverage estimator shows user cost of job before printing

Models available

C524 - Standalone
C524n - C524 + network
C524dn - C524n + duplex
C524dtn - C524dn + 500 sheet drawer

Lexmark believes that the environment is a critical component of responsible business management and clearly demonstrates it by implementing the "4R" strategy: Reduce, Recover, Reuse and Recycle. To learn more about these programmes please visit www.lexmark.com/recycle

With our innovative solutions and services, we help you PRINT smarter, MOVE information faster and MANAGE output more efficiently across your enterprise. Ask your local Lexmark representative for more information.

Technology	Colour Laser
Product class	Network Printer
Speed	20 ppm colour & mono
Time to first page	As fast as 13 seconds
Processor	437 Mhz (C524), 500 Mhz (C524n/dn/dtn)
Memory	Standard: 64MB (C524), 128 MB (C524n/C524dn/C524dtn) Maximum: 576 MB (C524), 640MB (C524n/C524dn/C524dtn)
Print quality	Up to 1200 x 1200 dpi resolution, 4800 Colour Quality
Duty cycle	65K Pages (one time monthly maximum usage)

Paper input	Standard: 250 sheets + 100 sheets (Multi-purpose feeder capacity) Maximum: 750 sheets + 100 sheets (Multi-purpose feeder capacity) Optional: 500 sheets (standard on C524 DTN)
--------------------	--

Paper output	250 sheets
Duplex unit	Option available on duplex-ready models
Media types supported	Plain paper, Envelopes, Cardstock, Transparencies, Paper labels, Coated paper, Glossy paper
Media sizes supported	A4, A5, JIS B5, Letter, Legal, Statement, Executive, Folio Universal (76.2 x 215 mm to 215 x 355 mm) and Envelopes (7 3/4, 9, 10, DL, C5, B5, other)

Connectivity (standard)	Standalone : IEEE 1284 Bidirectional Parallel, USB compatible with USB 2.0 specification Network : Ethernet 10/100BaseTx, One Internal card slot, USB compatible with USB 2.0 specification
--------------------------------	--

Connectivity (optional)	Internal Print Servers (network models only): N8000 Fast Ethernet, N8020 Gigabit Ethernet. External Print Servers : N4000e Ethernet 10Base/100BaseTX, N4050e Wireless 802.11g, X2011e Ethernet 10Base/100BaseTX X2012e Ethernet 10BaseT/2, 10BaseT/100BaseTX, X2031e 10BaseT/100BaseTX, 802.11g wireless print adapter
--------------------------------	--

Network management software	MarkVision Professional
------------------------------------	-------------------------

Printer languages	PCL6, PCL5e, Postscript 3, PDF 1.5 with backward compatibility
--------------------------	--

Operating systems supported	Microsoft Windows: Windows 9x, Me, NT, 2000, XP, XP x64, Server 2003 Apple Macintosh: Mac OS 9.x, 10.2 or higher Novell, Linux: different versions supported (for a complete list, please visit www.lexmark.co.uk)
------------------------------------	--

Applications solutions	Image-Quick Card, Bar Code Card, Prescribe card, Printcrypton card, Forms cards
-------------------------------	---

Base Guarantee	1 year, On Site Repair, Response time Next business day
Extended Guarantee	- Total 3 years Guarantee Pack, On Site Repair, Response time Next business day - 1 year Renewal Pack, On Site Repair, Response time Next business day

Optional services	Installation service, de-installation service, hardware and software training, trade-in of old products
--------------------------	---

Supplies	Ships with 1.5K* pages Return Programme Toner Cartridges 5K* pages Cyan, Magenta, Yellow High Yield Return Programme Toner cartridges 8K* pages Black High Yield Return Programme Toner cartridge 3K* pages Cyan, Magenta, Yellow Return Programme Toner cartridges 4K* pages Black Return Programme Toner cartridge Regular Cartridges are also available 20K pages Black Photoconductor Unit, 4 Pack Photoconductor (C,M,Y,K) 30K images Waste Toner Container
-----------------	---

Size (H x W x D)	484 x 440 x 408 mm (C524/C524n)
-------------------------	------------------------------------

Weight	26kg (C524/C524n)
---------------	-------------------

Noise level	51dBA
--------------------	-------

Power & electric specifications	Printing mode: 350 watts Standby mode: 105 watts Power Saver mode: <18 watts
--	--

Cost saving & environmental features

Energy Star Compliant
Power saver mode
WEEE
RoHS
