

OKIFAX 4580

❖ OKIFAX 4580

OKI

OKIFAX 4580 FOR THE INTERNET AGE

AFFORDABLE, PROFESSIONAL DESKTOP FAXING

The compact OKIFAX 4580 is a reliable plain paper fax for SoHo and small offices. It includes a host of professional fax features that add up to a very compelling value-for-price offer. For the future, it provides the flexibility to upgrade as your requirements change.

FAST AND EFFICIENT

Speed is of the essence in the modern office environment. And that's where the fast and reliable OKIFAX 4580 comes into its own. With fast scanning, a 33.6K modem and a large 4MB memory, it can send a full A4 page in under 3 seconds. With its digital LED technology it prints 8 high quality text pages per minute. The OKIFAX 4580 has a dual access function that allows faxes to be sent and received simultaneously and a time saving instant dial feature allowing documents to be faxed while scanning. With 10 one-touch numbers, 100 speed dials and 10 groups, all of your frequently called numbers are instantly accessible.

SHARP IMAGES, LASTING QUALITY

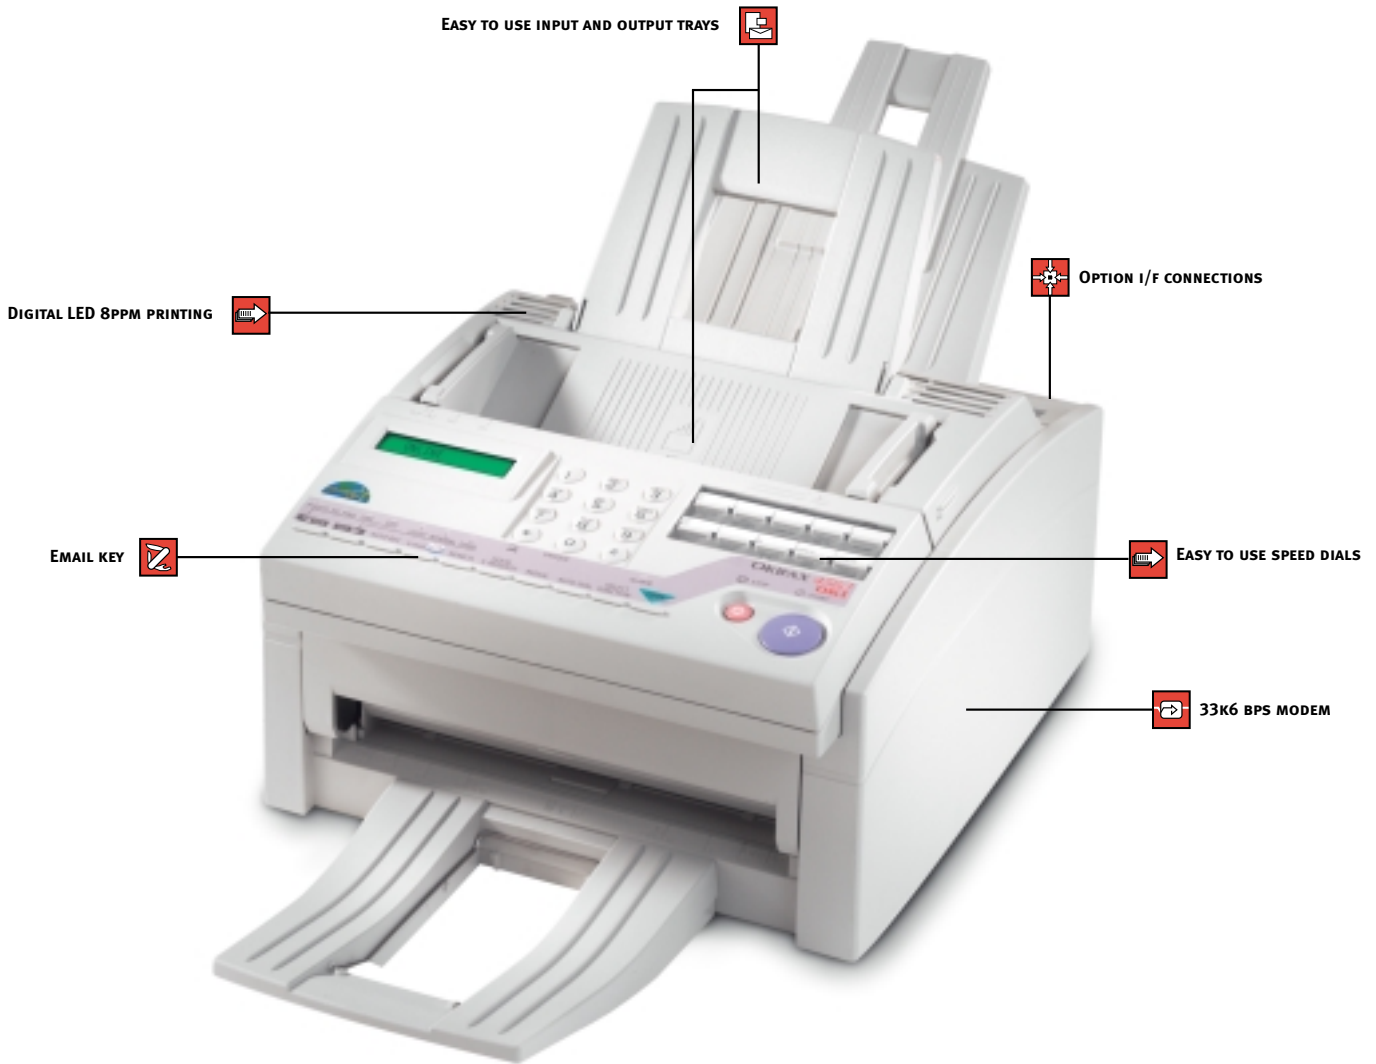

Oki's toner delivers pin-sharp images and excellent contrast. Furthermore, the ability to transmit and receive at 300 dots per inch (dpi), combined with our unique smoothing technology and 64 scales of grey makes sure that incoming faxes always print with clear and sharp business quality.

EASY UPGRADEABILITY

As your requirements grow, your OKIFAX 4580 can grow with you. Add an internet connection to link the OKIFAX 4580 to your network and you can scan faxes, in either Tiff or PDF formats and send them by e-mail. You can also send faxes via the internet to reduce your communication costs. The ISDN option provides connection to the digital network and even faster communication speeds. While the multi-function kit allows you to print, fax, copy and scan all from your PC screen.

WHY OKI?

Oki has been in business for over 120 years. We specialise in print-based business communication with a commitment to bringing fast and high quality equipment to the workplace. That's why our products reflect a special understanding of day-to-day business requirements. It's why we have a dealer network providing excellent local support and service. It's also why buying from Oki isn't just a sensible choice, it's a safe decision.

THINK OKI. THINK CLARITY.

Whether your business is a start-up or a multinational, we have the products to suit your needs from mono and colour printers to multi-function fax machines. Because we have such a diverse product range, we have colour-coded our product segments to help you save time. When it's time to add another fax to your range or to check out the latest advances in technology on our website, simply use the following colour guide.
