

## The compact mono printer with added functionality

The B2400 is a compact and sturdy desktop mono printer which is perfect for personal business printing. Small and light this handy device can easily be accommodated on even the smallest of desks. And thanks to the unique OKI digital LED technology the print quality is exceptional, with fast 20 pages per minute (ppm) output and with a first page out time of just 5 seconds.

The printer is easy to use and the free in-box utilities add to its simplicity and functionality. The B2400 uses PCL 5/6 language, perfect for graphics work. This model is available with or without network capability.

### Small and lightweight.

Compact - up to 30% smaller than similar printers - the B2400 has a very small footprint and is the perfect mono printer for your desktop. Weighing just 4.8kg it is also easy to carry if you need to transport it between business locations or between home and the office. Although small and lightweight, the B2400 benefits from OKI's Simple, Solid & Smart design philosophy which results in a very robust unit.

### Super fast monochrome printing.

The B2400 mono printers have a fast print speed of 20ppm, and with a super fast time to first page of just 5 seconds, there is no waiting around for printed work, helping to maintain business efficiency.

### LED technology for better printing.

The B2400 mono printers benefit from award-winning LED technology. This unique technology from OKI Printing Solutions takes up very little room and yet provides superior print quality and a smooth paper path maintaining speed, workflow and assisting in the media handling capabilities.

### Easy to install and use.

The B2400 mono printers are easy to use and the free, in-box utilities make things even easier. Ask OKI provides users with dedicated online advice and can be accessed quickly via the printer driver. Template Manager 2006 provides ready-made templates to assist the printing of items such as address labels.

**Consumables Information:** For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as “compatible”, and if it does work, your printer’s performance and print quality may be degraded.

Description	Life* (pages)	Order Numbers
Black toner	2,000	43640302
Image drum	15,000	43650302

\* All toners: A4 pages yield compliant with ISO/IEC 19752. Printer shipped with 1,000 pages yield compliant with ISO/IEC 19752. All Drums: Continuous print. Specification subject to change without notice. All trademarks acknowledged.
