

The B4500 Series Multifunction Products

The networkable mono multifunction product for small to medium workgroups

Printing, scanning, copying and faxing all available on one machine, enabling workgroups to work more efficiently. The B4545 MFP offers network as standard, supporting network printing, scanning and faxing and includes LDAP and scan to folder functionality. Optional facilities include a duplex unit and second paper tray for increased performance.

In addition, it features an Automatic Document Feeder for low user intervention and delivers a fast 20 pages per minute print speed, whilst a flatbed scanner enables copying from a wide variety of original documents. The high monthly duty cycle of the B4545 MFP ensures reliability and hassle free printing and copying for the whole office. Award winning PaperPort® document management software allows you to scan any PC file, document or image to pdf resulting in better managed archive information.

Highlights:

- 20 pages per minute print speed
- Networked as standard, LDAP, SNMP
- Optional integrated duplex unit for double-sided printing
- Optional second paper tray for increased performance
- 64MB RAM memory
- 50 sheet Automatic Document Feeder as standard
- High capacity consumables
- 2.5 second Modem transmission enables professional business class faxing
- Duplex colour scanning
- Award winning PaperPort® document management software
- Ask OKI button - leads to a dedicated support website for the B4545 MFP
