

Designed to perform. Built to last

Powering through the workload of the busiest departments and largest workgroups the B930 takes the stress out of printing your business dependent documents with a quality and reliability you can depend on.

This very fast and highly versatile black and white printer can be precisely configured with options to accommodate all your essential printing needs. The B930 can feed paper from as many as 6 paper sources and can print on both A3 and A4 paper. With the optional finisher installed completed jobs can be sent to one of up to 3 paper output areas and can be stapled and hole punched for that perfect finish.

Not only is it fast, it's purpose-built for heavy workloads, too so you can relax knowing that everyone in the office can print 50 pages per minute (ppm), job after job, day after day.

And that's the B930. Fast, versatile and entirely dependable. The perfect choice for any busy office.

Exceptional 50ppm performance.

- An incredibly fast print speed of 50ppm when printing A4 and 28ppm for A3
- No compromise on print quality – true 1200 x 1200 dpi resolution for clear, sharp detail
- Takes just 3 seconds from a warm start to print the first page
- 600MHz controller means no delay when processing large amounts of data
- 256MB (max 768MB) memory capacity to manage with a multitude of print tasks
- Optional interface – 1GB Base TX Ethernet

Extra options to extend in-house capability.

- Offers various input and finishing options, including 2,000 A4 sheet High Capacity Feeder unit and stapler or 2-4 hole puncher
- 'No-tool' installation, avoiding engineer involvement.

- Optional Compact Flash™ memory for extra data storage e.g. fonts, logos.
- Optional paper trays extend input capacity to 5,100 sheets, for volume printing

A range of utilities make things simple.

- With PrintSuperVision, network administrators can remotely monitor all networked printers and verify toner status
- Secure Print encrypts files sent over the network ensuring that office critical information is kept confidential (optional Hard Disk Drive required).
- Template Manager provides easy to use templates for help in printing envelopes and address labels

Built to perform. Maintaining productivity.

- Robust design to handle heavy print workloads
- High 300,000 pages/month duty cycle to maintain productivity
- High capacity toner for extended printing time

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.
