

C310dn Specifications

OKI
PRINTING SOLUTIONS

Outstanding features, exceptional value

The size and price of the C310dn hides a serious performing A4 colour printer that is perfect for any business or small workgroup. This high performance printer is purpose built for demanding modern environments incorporating advanced features such as built-in networking, heavy weight paper feeding and double sided printing as standard.

What you get is impressive print speeds, striking image quality, excellent media flexibility - and a full three-year warranty for extra peace of mind - in a versatile, compact printer that is within your budget.

Take on every office job

Not only is it fast enough for all of your regular office printing, but it delivers superb image quality with a stylish finish even on card stock and specialist media. The result is that you can print far more of what you want, when you want - including high quality customer-facing promotional material - without spending money with high street print shops.

- ProQ2400 multi-level output quality, 1200 x 600dpi print resolution
- A6 to A4 and up to 1200mm banners; card stock up to 220gsm

- Microfine High Definition toner for superb print quality
- OKI Template Manager makes it easy to create and print a range of different document types

Get more done, faster

The processor and memory combined help to deliver a fast first page out time and rapid throughput; an intelligent ECO mode automatically speeds up small jobs, reduces energy consumption, as well as saving you money. Plus, automatic double sided printing comes as standard and a convenient multi-purpose tray (MPT) lets you print on specialist media.

- First page prints in just 9 seconds and continuous colour print speeds of up to 22ppm (up to 24ppm in black and white)
- 266MHz processor and 64MB memory
- ECO mode improves throughput performance and reduces energy consumption
- Automatic double sided printing reduces paper consumption and saves money
- Standard paper supply of 350 sheets, including 100-sheet MPT (can expand to 880 sheets)

Desktop-friendly

Replacing the consumables is quick and simple and a backlit LCD display provides clear, real-time information about the status of the printer at all times. The C310dn fits seamlessly on any desk space for easy arms-reach access to all your printed documents.

- Easy-to-replace consumables
- Separate toner and long life drum, reduces user interventions and running costs
- Backlit 2-line x 16-character LCD display for clear, real-time status information
- Compact, low profile design lets you pick up your documents with absolute ease

Built to last

Look beyond the thoughtful ergonomic design of the C310dn and you'll see it's tough enough for the most demanding workloads.

- Ultra-reliable digital LED print technology, pioneered by OKI and proven over 20 years
- Robust 45,000 page per month duty cycle
- Industry-leading three-year warranty as standard

¹Check local OKI Printing Solutions website for latest driver releases and OS compatibility; ²Windows only; ³Including all consumables

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Simply Unique - 3 Year Warranty

Our devices are manufactured to the highest standards of quality and technology, which has been confirmed by independent tests. We are so convinced of the high quality of our products that we are offering you an extension of the standard warranty period to 3 years – for free!
