Maximising business
productivity

Phaser® 3300MFP multifunction laser printer

Fast and feature-rich. With high-speed print and copy, and full-featured scan and fax, this powerful multifunction printer delivers document handling that gives busy work teams a competitive edge. Value-priced and network-ready, the Phaser 3300MFP is the robust, reliable choice for your business.

High-end performance

The Phaser 3300MFP is built for speed, with the printing and scanning performance of larger multifunction systems.

28
ppm

- **Fast copying and printing.** Moves at the speed of business (28 ppm with the first page out as fast as 8.5 seconds).
- **More printing done.** Achieved with a 300-sheet capacity, expandable to 550 sheets, and the ability to handle special custom-sized media such as postcards and envelopes.
- **1200 image quality printing.** Gives your documents a high-quality, professional impact.
- **Print any document with confidence.** Thanks to full PCL and PostScript 3 support and automatic tray switching that switches to the next tray when the default tray is empty.
- **Precision engineering.** Ensures that the Phaser 3300MFP is easy to set up, use and maintain.
- **Digital workflows.** Lets you route electronic and scanned paper documents to their correct locations on the network.

Rich feature set at a value price

The Phaser 3300MFP is loaded with features that help you reduce operating costs and optimise resource usage.

- **One device.** Gives you the right combination of office tools – print, copy, scan and fax – at one great price.
- **Powerful fax/scan tools.** Brings fax and paper documents easily to the network, for distribution via email, fax or through your network's LDAP address book.
- **Network ready.** Enabled with built-in Ethernet connectivity, remote management tools and network security.
- **Save money on resources.** Toner-saver and power-saver modes and features like N-up printing and ID Card Copy make it easy to reduce toner, paper and energy costs.
- **Automatic two-sided printing.** Improves productivity and reduces paper use.
- **Scan to/print from a USB memory drive.** Scan or print from the front control panel in multiple file formats. No computer needed!
- **All the features of top fax machines.** Includes speed dial, Secure Fax, colour send and LAN fax.

Business-ready design

The Phaser 3300MFP's thoughtful design is tailored for the busiest offices and backed by superb support.

- **Buy with confidence:** The Phaser 3300MFP is backed by one-year on-site warranty.
- **Support for popular operating system platforms.** Makes this multifunction a team player with Microsoft Windows XP, Windows Vista, Linux/UNIX, and Apple Macintosh.
- **Advanced security features.** Authentication and IP filtering help prevent unauthorised access to the device. 802.1x support secures device on network.
- **Remote management tools.** CentreWare Internet Services give you quick access to a wealth of information and controls, such as device, toner status, device setup, email and fax address book management, security settings and email alerts. You can also specify which trays are used by specific operations such as fax or copy.
- **Back up device data,** such as address books, using CentreWare Internet Services or a USB memory drive.
- **Designed to save space in the office.** Small footprint lets you put it wherever it's needed.
- **Single print cartridge.** Reduces maintenance and support costs.

- 1 Automatic Document Feeder provides fast scanning, copying and faxing of multi-page jobs.
- 2 Automatic two-sided printing gives you money-saving, professional-looking output.
- 3 50-sheet multipurpose tray handles a variety of paper and custom sizes, including envelopes, labels and postcards.
- 4 250-sheet tray provides plenty of paper capacity for workgroup printing, copying and faxing.
- 5 An additional 250-sheet tray (optional) boosts total capacity to 550 sheets.

- 6 Paper level indicator
- 7 USB memory port lets you save to or print directly from a USB memory drive – no computer needed.
- 8 Toner Saver reduces the amount of toner applied to paper, making toner supplies go further.
- 9 One-touch duplex lets you turn single-sided originals into two-sided copies.
- 10 Find frequently used fax numbers and email addresses in address book. You can also print an address list.

The simple front panel makes walkup functions and features accessible with the touch of a button.
