Phaser® 6128MFP Colour Multifunction Printer

Office and environmentally friendly. This compact multifunction printer delivers all your documents in rich, full colour. Reliable, affordable and network ready, you'll find it's the perfect office partner.

Essential tools for your job

Whether you're printing colourful reports, faxing expense reports to corporate offices or scanning invoices, the Phaser 6128MFP does it all.

- **Full-colour attracts attention to all your documents.** Giving you the competitive advantage of colour for all operations, maximising understanding and retention.
- **Fast 12 ppm colour/16 ppm black and white output.** The Phaser 6128MFP can handle the demands of a busy workgroup without slowing down.
- **Fax with ease.** Send faxes from the network using LAN Fax, or take advantage of full walk-up fax features such as speed dial, remote receive and fax broadcast.

Our award-winning EA toner gives you outstanding laser colour quality, superior detail and clarity, while reducing energy consumption.

- **Out of colour toner?** Our Run Black feature lets you continue printing with black until you can replace toner.
- **Powerful copy/scan features.** The included Xerox Scan to PC Desktop® software lets you scan and copy paper documents in colour and black and white, and save them as editable documents on the network, in desktop folders or into email.
- **Keep confidential documents safe.** Ensured with password-protected secure print and secure fax receive.

All-in-one simplicity

From installation to everyday operation, a wealth of features make office life easier.

- **Large, intuitive front panel.** Easily understood instructions and help screens to streamline walk-up operations.
- **Load paper less often.** The main paper tray holds a generous 250 sheets.
- **Built-in networking tools.** Quickly connect this printer to everyone on the network, regardless of platform. Or connect directly via USB.
- **PrintingScout® automatically looks ahead.** Warns of potential problems with your print job and suggests a remedy.
- **Easy installation with premium Xerox management tools.** Tools such as CentreWare® Internet Services let you set up and manage the device from your PC.
- **Reliability and support you can count on.** Take advantage of advanced Xerox engineering and outstanding reliability plus a one-year on-site warranty.

Enjoy the simplicity of having all important office functions – print, copy, scan and fax – in one easy-to-use device.

Easy on your environment

The Phaser 6128MFP is designed to save resources, reducing your office costs as well as helping your office stay environmentally friendly.

- **Reduces waste.** Generates up to 90 percent less waste than comparable colour laser printers under normal operating conditions.
- **Takes up less space in the office.** A small footprint makes it easy to add to your desktop, or a convenient central location for shared use.
- **Saves on storage space.** Smaller toner cartridges with minimal packaging use less precious office storage space.
- **Less noise pollution.** Engineered for extra-quiet operation to minimise impact on busy offices.
- **Consolidate and save.** Consolidate your office devices into this value-packed multifunction printer and you'll save on energy and supplies costs.
- **Device access control.** Puts you in control of who prints colour and how much.

Meets Energy Star requirements, with features such as power save mode to reduce your energy costs.
