

TURN ON TOMORROW

Green in one touch,  
do it all with versatile features

Versatility. Connectivity.  
And eco-friendly functionality.  
That's the Samsung CLX-3185FN laser multifunction printer.

Samsung Colour Laser Multifunction Printer  
**CLX-3185FN**

Whether you're printing out a presentation for that big meeting or scanning a few favorite photos to send to family members, the versatile 4-in-1 Samsung CLX-3185FN laser multifunction printer lets you do it all. And do it with absolute convenience. Take the One touch Eco-Copy button that helps you save resources and the environment. Just one quick touch and you're making a big difference. And its network capabilities let other users connect and get vivid, high-quality colour printing performance. All this versatility and power, yet the compact CLX-3185FN fits easily almost anywhere.

### A one touch eco button that's convenient and environmentally friendly

Located conveniently on the front of the printer panel, the Eco-Copy Feature makes it easy to help the environment. Select from 2up/4up mono or colour print modes and watch – CLX-3185FN combine multiple pages into a single print out, saving time, paper, toner, money, and even the environment.

### Your printing experience just got a lot more colourful

With colour accuracy and the power to handle the demands of premium quality 2,400 x 600 dpi with absolute ease, the CLP-3185FN delivers high quality colour printing whenever you need it.

### It multi-tasks so you don't have to

Productivity is a key to running any office or professional workgroup. The ultra-versatile, fast-printing CLX-3185FN is designed to deliver productivity. Now you can print, copy, scan and fax with convenience, ease and speed.

### Connect with your colleagues

Connect everyone in your office to one network. With the Ethernet interface you can increase your performance by hooking it up to the network. Improve your communication skills with the CLX-3185FN laser printer and keep your lines of communication open.
