

## Get The Simple Life

Office Printer That Demands Less, Yet Delivers More

When you choose a printer for your business – you want to know that you’re making the right choice. You want a printer that not only provides exceptional print quality – but delivers value too. Because the Samsung ML-3310D is so simple to use it does just that. Simple paper handling means that you can print on a wide range of papers and card stock – delivering professional results every time. And simple technology keeps paper jams at bay – and your teams focussed on their jobs. Simple to use and maintain, the Samsung ML-3310D effortlessly combines high performance with outstanding productivity and versatility. Perfect for the busy office - perfect for you.

### Save time and earth with convenient one-touch eco mode

Just one touch of the ECO button selects the toner save mode. And if you want to do more, administrator can customise the ECO settings to also convert your printouts to two or four pages per sheet, as well as print in duplex as standard. And it doesn't stop there. With the unique Result Simulator you can see exactly how much CO<sub>2</sub>, electricity and paper you have saved with the settings you've selected. Giving you real insight into the positive impact the Samsung ML-3310D is having on your costs and the environment too.

### Speedy printing from the very first page

Quit spending your life waiting by the printer. The ML-3310D's industry-leading first page out time will have your first high-quality print in your hands in 8 seconds from ready mode. With its rapid 31 page-per-minute print speed and professional-grade resolution, you'll get print shop quality in the convenience of your own office. The only problem? What to do with all that new found time.

### Big features, small size

Looking for bigger performance from a compact printer? Think smaller. Measuring a ultra compact 366 x 368 x 240.6mm, the Samsung ML-3310D has a smaller size than any other monochrome laser printer on the market. It easily fits onto any

### The printer that works with your budget.

The ML-3310D lets you choose the right consumables option which you can afford. Toner cartridges are available in cost-effective standard-yield 2,000-page version and high yield 5,000-page version which provide a lower cost per page and

size of desktop while leaving plenty of room for you to get your work done. But don't let the ML-3310D's ultra-compact size fool you: this is one featherweight who's ready to take on the heavyweight contenders any day.

### One less noisy office distraction

You shouldn't have to struggle to hear yourself think while sitting at your own desk. That's why the Samsung ML-3310D is engineered to be whisper quiet, generating a noise level of just 51 dBA while it's printing. That's less than the gentle hum of a running refrigerator! A desktop printer that does its work while letting you focus on yours? Cool.

### Compass Navigation

Always know where your job stands with the ML-3310D's navigation feedback LED pattern. It keeps you clued in with its 11 different job status indicators, including error and warning situations.

### SyncThru™ Admin 5

Who says you can't do it all? SyncThru™ Admin 5 lets you easily install, manage and monitor all your networked digital print devices on an accessible interface. You also have the ability to analyse data in greater detail with easy-to-read reports.

### Paper Jam

Don't let your productivity come to a halt. The ML-3310D features semi-retard roller works to pick up only one piece of paper at a time while preventing sticky situations like misfeeds and paper jams.

### Capture what catches your eye

Samsung's AnyWeb Print software lets you go hunting and gathering on the Web. You can utilize the ML-3310D to easily select, drag, and drop content from different web pages onto a printable scrap board in your browser window, all while you surf the web. Items can be printed quickly or saved in different file formats. It's an easy way to collect, arrange, and edit useful reference points and resources you can only find on the web for big projects – or even just for fun.

### SyncThru™ Web Service

Tired of having to install software just to manage your printer? Now you can change printer settings, upgrade firmware and check your printer's status easily with just a web browser and the innovative SyncThru™ Web Service.

### CounThru™ 2 Pro / Enterprise

Get printer status without leaving your seat. Receive low toner level warnings, system error notifications and even usage and customer billing summaries with Samsung's proprietary CounThru™ 2 Pro / Enterprise interface.
