Stylish and compact,
it's my inspiration.

imagine the pride anywhere

Samsung Monochrome Laser Multifunction Printer SCX-4500W

Samsung Original Supplies Label

Monochrome Laser Multi-Function Printer

SCX-4500W

imagine the pride anywhere

Imagine the excitement and sense of pride that this sleek jewel of a multifunction printer will bring to your life. Banish unattractive technology and welcome a trendy wireless laser that will sparkle on your desk and light up your printouts. With the Samsung SCX-4500W it's not that hard to imagine.

Components

Control Panel Components

1. Shows the current status and prompts during an operation. The message shows with specific LEDs as below. LEDs are working with short message on a display.

error	paper	toner	paper jam
-------	-------	-------	-----------
2. Copies
3. Reduce/Enlarge
4. Darkness
5. up/down arrows
6. Stop/Clear
7. Scan to PC
8. Start Copy
9. You can power on or off the control panel by pressing and holding this button for a few seconds.
10. Shows the status of wireless network. When the LED on, the machine is ready.

It's Wireless

With the embedded **Ethernet 10/100 BaseTX** and **Wireless 802.11b/g**, the SCX-4500W will fit anywhere, creating a design statement as well as a printing center. Explore your printing freedom.

It's Sufficient

SCX-4500W is not only stylish, but also **printing, copying and scanning (network scan is available)**. With various OS compatibility, SCX-4500W can scan to Macintosh as well as PC. Moreover, SmarThru™ 4 document handling software will let you edit scanned images and save them in multiple formats for printing and copying. Image Capture Application is another software assisting Macintosh users edit scanned images.

It's Silent

Innovative printing technology renders this multifunction printer **virtually silent**. At 45 dB, it is quieter than a conversation (50 dB), bringing peace and tranquility back to the busy modern workspace.

It's Simple

Simple straightforward design inside and out. Streamlined user interface, one-touch scanning and simple access to toner cassette. Eliminated outdated button panels and replaced them with ultra modern **touch sensors**. **Melodic tones alert** users of low toner and paper, simplifying the work day. A streamlined user interface that anyone can use effortlessly.

It's Slim & Sleek

A refined slim presence in your life. A statement of minimal elegance and modern technology, it **accents your style**. Small and slim, it frees up your workspace, restoring order and style to your environment. **Luxurious sleek design** with an elegant piano black finish, punctuated by cool sapphire blue. A simple touch of your hand lights up the glossy night and provides a shining blue readout illuminating the printing status.
