Imagine a multifunction printer that meets your business needs. The SCX-4824FN, SCX-4825FN, and SCX-4828FN is optimized simplicity, yet provides professional features increasing productivity and efficiency with duplex and Direct USB. A harmonious balance for any office. With the Samsung the SCX-4824FN, SCX-4825FN, and SCX-4828FN its not that hard to imagine.

Versatile and Feature Rich - Versatile and Convenient Features

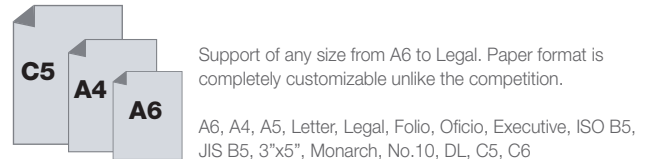

Versatile 5-in-1

Versatility is the key to these convenient 5-in-1 laser multifunction Printers. With all the functions you have asked for in one central device, you can print, copy, scan, fax and PC-fax conveniently and easily. The SCX-4824FN/4825FN/4828FN delivers high performance and maximum speed versatile enough for a professional workflow.

Customizable Paper Formats

The SCX-4824FN/4825FN/4828FN is prepared for global business with a customizable paper size tray that can handle international paper formats. Compatible paper sizes include A6, A4, A5, letter, legal, folio, oficio, executive, ISO B5, JIS B5, 3x5, monarch, No. 10, DL, C5 and C6. This versatile feature allows your business to be prepared for the future.

Efficient Duplex + ADF

Convenient features increase your daily office efficiency. The 50-sheet automatic document feeder (30-sheet ADF on SCX-4824FN) saves time and speeds up copying and scanning, while giving you more control over the process. The SCX-4825FN/4828FN model features duplex printing, saving time and reducing paper consumption.

Intuitive and Ease of Use - Intuitive and Simple Operation

Innovative Compact Design

Multifunction Printers are convenient but take up a lot of space. The SCX-4824FN/4825FN/4828FN features a compact design that will fit into any workspace. At 445 x 411 x 395 mm, its neat size and sleek design give you the performance you need without the bulk.

Convenient Direct USB

The ultimate modern convenience – direct USB. Now your employees can disconnect from the PC and freely print and scan at SCX-4828FN. Just connect a USB storage device and print the contents. Or scan and save directly to USB without needing a PC.

Intuitive Simple & Easy GUI

Get everyone at work onboard quickly with simple and easy to use GUI screens. Reduce training and troubleshooting time with simple intuitive menus and buttons. The IT department can keep the user manuals because no one will need to read them to be able to print, copy, scan and fax simply and quickly.

Less Trouble and Stress - Efficient And Trouble Free

Fast FPOT

Everyone wants fast printouts, but if the first page out of the printer takes too long, waiting can be very stressful. The SCX-4828FN boasts a fast first page print time of 15.5 seconds in the sleep mode. That means that even if you are just printing one page, the results will be quick and stress free.

Durable Max. Monthly Duty

When choosing a printer, most businesses look at speed and output quality. But another important factor is the maximum monthly duty cycle. In other words, the maximum number of pages a printer can generate each month. The SCX-4824FN/4825FN/4828FN produces a high rate of 50,000 pages a month, ensuring the availability along with the productivity of the Samsung MFP.

Comfortable Look and Feel - Appeal And Design

Unique Corner-less Organic Design

Samsung is known for stylish innovative design. The SCX-4824FN/4825FN/4828FN adds in another element – organic design. The overall concept is softer, rounder and more natural, adding a comforting appeal to your workspace.

Blue Compass Navigation

The innovative Blue Compass Navigation, with its signature Samsung blue glow, keeps you updated on the progress of the current task and helps you navigate the menu. The Blue Compass Navigation is easy to use and adds a striking focal point to the menu.

The Blue Compass Navigation helps you Navigate for accessing variety functions.
Clockwise circular motion indicating task progress.

Tranquil Printing

Your business can work in peace and tranquility, even when printing multiple jobs, thanks to the SCX-4824FN/4825FN/4828FN quiet print levels. They have the lowest noise levels of their class, at just 49-52 dBA for printing and copying. That is quieter than a normal conversation or a telephone dial tone. Enjoy productivity and peace at the same time.
