

colour printer

# All-round office performance inside your budget

# Phaser® 7400 Colour Printer

**In-house printing power.** The Xerox Phaser 7400 is an affordable, high-performance colour printer to meet the needs of businesses on a deadline. It packs the versatility, power and speed to handle whatever job you send it – whether it's A3 sized prints or projects on heavy cover stock. Fast, high-quality, versatile *and* great value for money.

## One printer, no waiting.

It's one of the fastest in its class, so the Phaser 7400 printer tackles your team's everyday printing workload at record speed. It has advanced printing features to guarantee fast throughput and no bottlenecks, even in the busiest workgroup traffic.

- With print speeds of 36 ppm for colour and 40 ppm for black and white, and a first page out time as fast as 12 seconds (colour), the Phaser 7400 prints jobs almost as fast as you can send them.
- A fast 800 MHz processor, memory options that scale from 256 MB up to 1 GB of RAM and job pipelining mean that jobs won't get stuck in long queues.
- True Adobe® PostScript® 3™ and built-in intelligent features like automatic tray selection ensure the job is done right the first time to avoid reprints and delays.
- Installation is fast and easy with Xerox Installer Tools, while advanced drivers make choosing the right print settings simple.

## Great power at great value.

While its capabilities are robust, the Phaser 7400 printer is priced to be accessible for offices of all sizes. Its basic features provide the quality and speed you expect. And you can select the right additional options for your business at a price that fits your budget.

- Economical pricing and a variety of configurations and options make the Phaser 7400 an affordable solution for workgroups with print jobs of all sizes.
- Get the same low cost per page you're used to for black and white prints and add the impact of colour when you need it.
- Plenty of office-smart features are built in: PrintingScout alert tool will monitor print jobs and provide pop-up help, and Support Centre Utility provides easy access to detailed support information. Job accounting and usage detail tracking capabilities, as well as detailed information on consumable usage are easily accessible.
- High volume print jobs as well as small specialty projects can be run on-demand, in-house, saving substantial time and money.
- Add a hard drive (standard on most configurations) and get more productivity tools, including Secure Print to keep private documents private, and Personal Print to separate users' jobs and store them on the printer for easy future access right from the front panel.

## The right media for your message.

Imagine having a printer with the versatility to print full-colour brochures, newsletters or signs in-house. Or to create colour transparencies, labels or business cards whenever you need them. From postcards to A3-sized posters and banners, you'll have the capability to generate materials that get your message across.

- All trays handle media sizes from A6 to A3. You can even print banners up to 120 cm long to create vivid, eye-catching signs.
- Handles cover stock and thicknesses up to 270 gsm to make specialty jobs like posters, business cards or point of sale materials quick and easy.
- Automatic two-sided printing (optional on 7400N) makes quick work of brochures, newsletters and reports.
- Finishing options including V-fold booklet printing and saddle stitching for in-house publishing.
- Industry leading colour technologies, 1200 dpi print resolution and enhanced Photo print mode ensure that whatever the job, the colours come out as you intended.

Go ahead, get creative. You'll get great output on a wide variety of paper and specialty media.

Xerox offers a comprehensive portfolio of paper and specialty media products tested to meet your most demanding needs.

### Finishing Options

Sort (Job Offset) and Collate

Multiposition Stapling – custom position and placement to enhance usability

Hole Punch – options meet worldwide conventions

V-Fold Booklet – saddle-stitch booklets in-house to reduce costs and eliminate delays

## A single-stop printing solution

The Phaser 7400 printer has the versatility to handle the printing needs of offices of any size. It's so capable it may have you doing things you never thought you had the resources for.

- ① Use Tray 1 (MPT) for heavy paper up to 270 gsm, envelopes, labels, business cards and other specialty media (up to 250 sheets).
- ② Tray 2: 550-sheet paper tray (standard) feeds 65 – 216 gsm paper and transparencies.
- ③ Lower Tray Assembly adds an additional 550-sheet paper tray (standard on the 7400DT and 7400DXF configurations).
- ④ High-Capacity Feeder (standard on our most productive configurations, 7400DX and 7400DXF) adds three trays with 1,650 sheets of input capacity.
- ⑤ Finisher (standard on 7400DXF) offers hole-punching and stapling options, including v-fold and saddle-stitching for easy pickup and distribution.
- ⑥ Money-saving and fast automatic duplex option for two-sided printing (standard on 7400DN, 7400DT, 7400DX, 7400DXF configurations).

## SPECIFICATIONS

### Network/Software

**Printer management** CentreWare IS Embedded Web Server, CentreWare Web, Xerox NDPS Gateway, Usage Analysis Tool

**Font capabilities** 136 True Adobe PostScript fonts and 54 PCL fonts

**Printer drivers** Windows® 98SE/Me, Windows NT 4.x, Windows 2000/XP, Windows Server 2003, Mac OS 9.x, Mac OS X version 10.2 and higher, Novell NetWare 5.x/6.5, Linux Red Hat 9, Suse 9, Fedora Core 1, UNIX Sun Solaris 2.8, 2.9, 2.10, HP/UX 11.x, IBM AIX 4.3.3, Xerox Walk-Up Printing Drivers with Windows 2000 or higher

**Language Support** True Adobe® PostScript® 3™, PCL 5c

### Paper Handling

**Maximum input capacity:** 3,000 sheets

**Tray 1 (MPT): standard:** 250-sheet capacity. 64 – 270 gsm supports a wide range of papers, synthetics, envelopes, cover stocks, labels, business cards, transparencies, and more.

Media sizes: A6, A5, A4, A3, SRA3, ISO B5, B5 JIS, B4 JIS, Custom sizes: width: 100 – 320 mm; height: 76 – 1219 mm

**Tray 2: standard:** 550-sheet capacity. 64 – 216 gsm supports a wide range of papers, labels, and transparencies\*. Media sizes: A6\*, A5, A4, A3, SRA3, B5 JIS, B4 JIS, Custom sizes: width: 100 – 320 mm; height: 148 – 457 mm

\*transparencies and A6 size paper can be loaded into Trays 1- 2 only

**Tray 3:** Capacity, media types and sizes same as Tray 2

**Trays 4, 5, 6:** 1650-sheet High-Capacity Feeder. Media types and sizes same as Tray 2

**Automatic 2-sided printing:** 75 – 188 gsm from all trays

**Maximum output capacity:** 500 sheets

### Special Features

**Enhanced PrintingScout®** Instantly displays pop-up help if attention is needed throughout print job

**Xerox Installer** Automatically gets you printing in minutes. Supports scriptable install and silent install which allows easy driver installation from a centralised, remote location

**PhaserSMART®** Printer diagnostics and troubleshooting via an automated Internet-based support system

**Smart Trays** Provide real-time printer and paper tray status on users' PC desktop

**Productivity tools** Personal Print\*, Driver Colour Control, Support Centre, Usage Analysis Tool, Secure Print\*, Proof Print\*, Saved Print\*, Booklet printing, Negative and mirror images, Scaling, Watermarks, Custom size paper, Run black, Cover pages, RAM Collation, Disk Collation\*, Remote printing, Separation pages, N-Up printing, PDF-direct printing\*, Configuration card, Silent install, Scriptable install, Saved job repository, Email alerts, Job completion notification

\*Requires hard drive

### Colour Controls

**Colour standards** PANTONE®-approved solid-colour simulations, Adobe® PostScript® device-independent colour, CIE international colour standards, and support for TekColor, ICC and Apple® ColorSync® colour management systems

**Selectable print quality modes** Standard: 600 x 600 dpi; Enhanced: 600 x 1200 dpi; Photo: 600 x 600 x 5 dpi

**Colour correction modes** Automatic, sRGB Display, sRGB Vivid, None, SWOP Press, EuroScale Press, Commercial Press, SNAP Press, Black and White

### Operating

**Dimensions** 7400N, 7400DN: width: 640 mm, depth: 623 mm, height: 471 mm, weight: 84 kg

7400DT: width: 640 mm, depth: 623 mm, height: 572 mm, weight: 99 kg

7400DX: width: 640 mm, depth: 623 mm, height: 866 mm, weight: 137 kg

7400DXF: width: 1438 mm, depth: 623 mm, height: 975 mm, weight: 209 kg

**550 Sheet Tray:** width: 640 mm, depth: 623 mm, height: 109 mm

**High-Capacity Feeder:** width: 640 mm, depth: 623 mm, height: 401 mm

**Finisher (includes Inverter package):** width: 813 mm, depth: 600 mm, height: 1016 mm, weight: 56 kg

## SUPPLIES AND OPTIONS

### Consumables

#### Phaser 7400 Standard-Capacity Toner Cartridges

Cyan (9,000 pages*)	106R01150
Magenta (9,000 pages*)	106R01151
Yellow (9,000 pages*)	106R01152

#### Phaser 7400 High-Capacity Toner Cartridges

Cyan (18,000 pages*)	106R01077
Magenta (18,000 pages*)	106R01078
Yellow (18,000 pages*)	106R01079
Black (15,000 pages*)	106R01080

\* Toner capacities are approximate, based on 5% coverage on an A4-size page

Staple Pack Refill	108R00710
