**Fits in the
smallest of
home offices**

**The missing
piece to your
home or
small office**

For offices with space limitations, but high print expectations, the MFC-J491DW is the ideal solution. This machine is packed with features and functions to make your life easier - all in its cleverly compact design.

**Sleek, simple,
affordable.**

Print, copy, scan and fax

With high quality print, copy, scan and fax functionality at your fingertips, there isn't anything the MFC-J491DW can't help you with in your home or small office.

Connectivity

With wireless and mobile connectivity, the MFC-J491DW makes it easier to share your device and files with others. It's never been easier to print on-the-go, you can print directly from your mobile or tablet device.

Cost-effective printing

Maximise the cost-effectiveness of your MFC-J491DW, choose from a range of affordable standard or high yield genuine Brother ink cartridges. Also, due to its four-cartridge ink system (you only replace the empty cartridge) and automatic 2-sided print function, you'll be spending less on ink and paper.

Paper handling options

As well as an enclosed 100 sheet standard paper tray, the MFC-J491DW comes fully equipped with a 20 sheet Automatic Document Feeder (ADF) which helps you to scan and copy multipage documents whilst completing other tasks around the home or office.
