

simply organised!

The GL-200 can also label anything around the home and home office. DVDs and photo albums that hold your fondest memories and pictures need never be lost or misplaced again. Children will have fun labelling their school belongings - exercise books, pencil cases, rulers & lunchboxes. And with a wide range of symbols and frames, why not create your own unique labels to personalise gift tags and cards?

With the GL-200, labelling possibilities are endless!

Other uses include...

- ✱ CD collection labelling
- ✱ Children's school books
- ✱ Computer cable labels
- ✱ Filing
- ✱ Food labelling
- ✱ Hi-fi wire labelling
- ✱ Herb and spice labelling
- ✱ Toy boxes
- ✱ Home financing
- ✱ Video collection labelling
- ✱ Hazardorous chemical labelling
- ✱ Children's lunch boxes
- ✱ Clothes with fabric tape

brother®

easy to use... It couldn't be simpler!

- ✦ The new large display (12 characters x 1 line) gives a clear preview of the label you are printing.
- ✦ The new clock function allows you to print time & date labels quickly.
- ✦ With the optional AC adaptor you can save on batteries.

give your garden the professional touch...

The GL-200 electronic garden labelling machine produces durable laminated labels that are totally weatherproof. Initially designed for industry, these labels can withstand temperatures from -80°C to +150°C and are totally resilient to sunlight, humidity and rain, making them ideal for labelling your plants and garden accessories.

Brother's patented TZ laminated tapes – in 3.5mm, 6mm, 9mm and 12mm sizes – provide one of the hardest wearing labels on the market, with long-term resistance to oil, water, chemicals, sunlight, extremes of temperature and abrasion.

tested to the extreme...

Whether you're down in the greenhouse or potting shed, a handheld GL-200 garden labeller produces labels suitable for most environments. Brother's patented TZ tape ensure that your labels are:

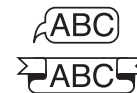

- ✦ Rain Proof ✦ Fade proof
- ✦ Humidity proof - perfect in your green house
- ✦ Heat resistant ✦ Frost resistant
