

Handheld Labelling machine

Label everything that matters with this handheld labelling machine

Brother's PT-1010R is an affordable hand-held labelling machine, perfect for home, school or in the office. Printing durable, long-lasting labels, there's no end to the possibilities – from school books, lunch boxes, pencil cases, CD covers, food storage and filing cabinets – in fact you can label just about anything that matters.

With flexible tape options, you can choose to be creative or produce stylish, professional results. And because Brother's P-Touch laminated labels have been tested to the extreme, they're been designed to last.
