QL-570HC   **DK Labels**

Versatile, easy to use label printer for busy Healthcare Professionals

3 YEAR WARRANTY

Eliminate the need for manually filling out forms and hand writing sample bottles with the professional QL-570HC label printer. Quick and easy accurate printing every time with no misaligned text and high resolution barcode labels

Catalogue Spec (Healthcare Model)

- Avoid handwriting errors and the need for re-tests with professional accurate labels every time
- Reduce waiting times and increase productivity with quick and easy labels which can be previewed on your PC before you print
- Choose from a range of pre-sized labels for different healthcare applications including barcode printing
- Accurate label printing - no misaligned text with continuous roll and automatic cutter
- Space-saving, compact size, sits neatly on your desk
- Money-saving - direct thermal print technology eliminates toner, ink and ribbon costs
