DYMO® Embossing Range

**TURN, CLICK
AND HAVE FUN!**

EMBOSSING LABELMAKERS FOR EVERYTHING THAT MATTERS

NEW

Junior

This embosser is so simple to use, you'll actually have fun with it. Just use the "turn and click" mechanism and try your hand at creating attractive embossed labels for almost anything. Great for kids' notebooks, toys, plastic-ware, CD cases, even files, binders and folders for important documents.

- Modernised labeller design
- "Turn and click" is ergonomically designed for comfortable use by adults and children
- Text can be centred on the label by the use of the start/stop marks
- "Two thumb" cutting operation makes cutting easy for children and seniors
- Front exit tape "shows as it goes" with visible last printed character
- ABS construction is ultra-durable for extra long life
- Easy to load tape cassette
- Incorporated tab-cutting for easy removal of the tape-backing
- 42 characters, easy character selection
- No batteries required

Organiser Xpress

With our exclusive Soft-Grip handle, Organizer Xpress offers you an extra measure of comfort, convenience and performance in your kitchen, office or workshop! Even the labels are easy to load – and cut, thanks to the enhanced tape-cutting feature and Easy-Peel 3D labels.

- Ergonomically designed for ease of use and modern look
- Intuitive "turn and click" labelling system
- 49 character wheel includes @ and "-"
- Cassette door (handle) has "soft touch" grip
- Durable ABS construction for extra long life
- Easy-to-load cassette
- Able to stand on desk or workbench
- Tape-cutting feature makes it easy to remove tape backing
- No batteries required

COOLCLICKS

Talking Label Maker!

NEW

CoolClicks™

The world's first talking labelmaker. Simply choose a letter, squeeze the handle, and then hear Cool Clicks speak the letter chosen. The DYMO Cool Clicks Talking Labelmaker is the perfect learning tool for kids. It combines the learning aspect of spelling with the creative outputs of labels that kids love, so they can personalise all their stuff whilst having fun.

- Innovative design works the way kids work
- Forward facing lever is intuitive to hold
- Easy to squeeze and cut
- Large easy-to-turn textured embossing wheel
- Label cutting feature makes for easy removal of peel-off backing
- Uses Cool Clicks labels in cool colours or any 9mm DYMO 3D embossing labels
- Uses 2 x "AAA" Alkaline batteries
