Expression Premium XP-620

The Expression Premium XP-620 is ideal if you need flexible printing. You can print high-quality photos and crisp, clear text, as well as copy and scan, from one compact model. Wi-Fi connectivity and Epson Connect compatibility mean easy printing from wherever you are[1]. Two front-loading paper trays and a 6.8cm LCD screen with touch panel help provide easy usability.

Great photos and text
Featuring a 5-colour individual ink system including a photo black, Epson's Claria Premium Ink produces outstanding, glossy photos with sharp detail and crisp, clear text documents. A no-compromise solution for the modern home.

Mobile printing
Epson Connect consists of Epson iPrint[1]– for easy wireless printing from smartphones and tablets; Epson Creative Print[1]– print photos directly from Facebook, and Epson Email print[1] – print from anywhere in the world by emailing photos and documents directly to the printer. AirPrint[2] and Google Cloud Print are also supported.
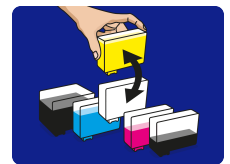

Flexible connectivity
Automatic Wi-Fi set-up[3] makes it quick and simple to connect to a Wi-Fi network or, alternatively, compatible devices can be connected via Wi-Fi Direct® without having to connect to a wireless router. You can also print from Wireless PictBridge-compatible cameras.

Easy operation
As well as a tilting 6.8cm touch panel, the XP-620 includes a memory card slot for PC-free operation. The XP-620 also prints on suitable CD/DVDs.

KEY FEATURES
