Expression Photo XP-65

Show off your photos at home via this compact printer with flexible mobile connections and superior 6-colour inks.

The perfect choice for the photography fan looking for amazing photo printing. The Expression Photo XP-65 uses Claria Photo HD ink to ensure your photos will last for generations to come[1]. With Wi-FI connectivity and Epson Smart Panel app[2] compatibility, you can print your photos with ease. The XP-65 also has the benefit of dual paper trays and CD/DVD printing capability.

Superior results
The XP-65 has been specially designed for photography fans after top-quality results. It uses Epson's own Claria Photo HD ink, a fantastic 6-colour individual inkset for superior-quality, long-lasting photographs that can last for an amazing 300 years in a photo album[1].

Modern Flexibility
With full Wi-Fi, Wi-Fi Direct, and Ethernet connectivity, integrating this printer with your existing home set-up will be easy! You can also print directly from your phone or tablet, set up and troubleshoot your printer and let your creativity flow with a wide range of artistic templates with the Epson Smart Panel app[2].

Versatile printing
With dual paper trays, one for A4 and one for photo paper, and a speciality media feed for thicker media makes for easy and versatile printing. Printing directly onto suitable CD/DVDs is also possible. Automatic A4 double-sided printing will help save money and is kinder to the environment.

1. Print permanence ratings are based on accelerated testing of prints on specialty media stored in archival sleeves in album storage. Actual print stability will vary according to the media, printed image, display conditions, light intensity, humidity, and atmospheric conditions. Epson does not guarantee longevity of prints.
2. Mobile printing solutions require a wireless and/or an Internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit www.epson.eu/connect
