

L5190

DATASHEET / BROCHURE

Reduce your ink costs by 90% on average¹ with Epson's next generation of EcoTank. This fast 4-in-1 comes with ADF and Ethernet capabilities.

This 4-in-1 EcoTank printer can do much more than reduce your ink costs. Minimising replacements, it comes with high yield ink bottles that are capable of printing thousands of pages. Filling the large front ink tank is simple with the resealable and drip-free ink bottles. Taking on business tasks with ease, the L5190 includes a 30 page Automatic Document Feeder, Fax and Ethernet.

Ultra-low cost

EcoTank can slash ink costs by 90% on average¹ thanks to its innovative design. It features an ultra-high-capacity ink tank that completely removes the need for cartridges.

Print thousands of pages

Get more prints between refills. With one set of ink you can print up to 4,500 pages in black and 7,500 in colour².

Specially engineered for ease of use

EcoTank is more compact and easier to use than ever before. Its front-facing tanks are engineered for mess-free refills and the bottles are designed to only allow the correct colours to be inserted. Thanks to the front ink level display, it's easy to see when it's finally due for a refill.

Print from almost anywhere

It's easy to print from mobiles, tablets and laptops using EcoTank. With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint³ app. Additionally, its 3.7cm LCD screen make it easy to print without a PC.

Quality results

With a Micro Piezo printhead, EcoTank provides a reliable printing solution which is backed by a one year warranty.

Take on more tasks

With fax, a 100-sheet tray, fast print speeds of 10ppm⁴ and a 30 page automatic document feeder (ADF), you'll be able to speed through a variety of tasks with ease.

KEY FEATURES

- **Ultra-low-cost per page**
Reduce ink costs by 90%¹
- **Thousands of pages' worth of ink**
Print up to 4,500 pages in black and 7,500 pages in colour²
- **Next generation ink filling system**
Enjoy hassle and mess-free refills with the enhanced ink bottles
- **Mobile printing and connectivity**
Wi-Fi, Wi-Fi Direct, Ethernet & free mobile printing apps³
- **Designed for business**
100 sheet rear paper input, fax, 30 page ADF

PRODUCT SPECIFICATIONS

INK BOTTLE YIELD DATA

Included	3,600 pages*	6,500 pages*
Replacement	4,500 pages*	7,500 pages*

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. Average number of cartridges required /savings achieved printing the same number of pages using the ink bottles included within the EcoTank range, excluding hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best selling models in Western Europe, in the period January 2017– December 2017, as tracked by GfK. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by the manufacturer's websites
2. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 based on the replacement ink bottles. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
3. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu
4. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing
