
Epson LabelWorks LW-900P

DATASHEET

Create professional labels with the Epson LabelWorks LW-900P – the versatile label printer that connects to your PC or Mac. Fitting neatly onto your desktop, the LW-900P takes care of all your labelling requirements, from filing to asset tagging, making it ideal for signage, facilities and goods-in departments. With a resolution of 360 dpi and a print speed of up to 25mm/s, you'll get high-quality labels at high speed.

Software with intuitive menus is included, making creating labels easy. Choose from pre-loaded label templates, or design your own and store them on your computer. You can import data in csv, txt and xls(x) formats, create a layout corresponding to the column headings, and then print labels for each line of data. You can also print a series of labels with incremental dates or figures.

Producing labels is a hassle-free process from start to finish, as the LW-900P automatically detects the tape width, and automatically cuts or half-cuts the labels once printed. Its convenient integrated trimmer can round label edges, and a dedicated window displays how much tape remains.

Epson's wide selection of labels in 6, 9, 12, 18, 24 and 36mm sizes covers virtually every labelling need, with transparent labels, cable wraps, writable matte paper labels and more, plus a choice of adhesive strengths and colour combinations. All Epson labels are very durable, resisting water and withstanding hot and cold conditions.

The LW-900P minimises label margins, meaning you get more labels per tape, and Epson's 9-metre label tape offers economical refills. Two four-metre label tapes are included to get you started.

When registered on Epson's website, the LW-900P's two-year warranty is extended to three years for extra peace of mind.

KEY FEATURES

- Desktop electronic label printing system that connects to your PC or Mac
- Accepts 6, 9, 12, 18, 24 and 36mm tape widths
- Ideal for office labelling, including filing, storage, asset tagging and barcode printing
- Easy-to-use label editing software included
- Choose from pre-defined templates or design your own
- Easily insert images, borders, barcodes and symbols
- Import data in csv, txt and xls(x) formats and print labels for each line of data

PRODUCT SPECIFICATIONS

PRINTING	
Technology	Thermal transfer
Tape Width	6, 9, 12, 18, 24, 36mm
Resolution	360 dpi
Printable Dot Numbers	384
Max. Print Height	27,1mm
Max. Print Speed	25mm/sec
Max. No. of Printable Lines	Custom
Max. Text Length	Custom
Multi-Block	Yes
PRINT SETTINGS	
Repeat Printing	Yes
Auto Increment	Yes
Mirror Printing	Yes
Vertical Printing	Yes
Barcodes	14 (EAN-8 / EAN13 / CODE39 / CODE128 / UPC-A / UPC-E / CODABAR / ITF / EAN128 / GS1DataBar / QRcode / MaxiCode / PDF417 / Data Matrix)
Wire Wrap	Yes
Flag	Yes
Margin Setting	Manual / Auto
Setting Area	Custom
FONTS & STYLES	
Fonts	Dependent on user's PC
Font Size	Dependent on user's PC
Frames	Dependent on user's PC
Tables	Dependent on user's PC
Styles	Dependent on user's PC
Layout Alignment	Dependent on user's PC
Letter Pitch	Dependent on user's PC
Letter Width	Dependent on user's PC
MEMORY	
Alphanumeric	Dependent on user's PC
Accent	Dependent on user's PC
Symbols	457
Saved Label Design	Dependent on user's PC
HARDWARE	
Cutter	Auto, Half, Trim
Detection	Tape width
Strap Hole	Yes
Power Lamp	Yes
Half Cut Lamp	Yes
Feed Button	Yes
PC CONNECTION	
Interface	USB
Operating Systems	Windows 7 (32/64 bit), Vista (32/64 bit), XP (32/64 bit), Mac OS
System Requirements	Approx. 100MB HDD space
PC Display Requirements	XGA (1024 × 768) or Higher
Software (Epson Label Editor)	Epson Label Editor: Wizard, Pre-set labels (format), View history, Import data (.xls, .xlsx, .txt, .csv), Background patterns, PC/Mac compatible
POWER CONSUMPTION	
Printing (AVERAGE)	13,630 W
Ready	0,700 W
Power off	0,270 W
GENERAL	
Dimensions (D × W × H)	85 × 182 × 146mm
Weight	900 g
Colour	Pale Grey and Green
Warranty Standard / Optional	2 years / 1 year
