

SureColor® P900

17" Wide Photo Printer

Be Inspired.

Outstanding image quality and color — UltraChrome® PRO10 Ink with Violet produces a wide color gamut for vibrant and rich colors

No Photo and Matte Black Ink switching — dedicated nozzles for both Black Ink types—no switching needed

10-channel MicroPiezo® AMC™ printhead — delivers prints with outstanding speed, consistency and accuracy

Easy printing from smart devices — print color-managed files directly from your iOS® device¹ using an easy-to-use interface

Carbon Black Driver Technology — Carbon Black Driver Mode dramatically increases Dmax for exceptional black density on glossy papers

Professional media handling — accommodates rolls with optional adapter² and sheet media up to 1.5 mm thick of Epson Professional Media, Signature Worthy® papers and Legacy Papers as well as third-party media

Easy to use — features 4.3" customizable touchscreen, wireless connectivity and interior LED light for fast, convenient operation

Compact design — up to 30 percent smaller than our previous generation

Industry-leading print permanence — creates prints that last up to 200 years in color and 400 years in black-and-white³

Designed for use exclusively with Epson® ink cartridges.*

Print

Printable Area

Max. paper width: 17"; Max. cut-sheet size: 17" x 22";
 Min. cut-sheet size: 3.5" x 5"; Max. printable area: 17" x 129"

Printer Interfaces

SuperSpeed USB 3.0 (1 port), 100Base-T Ethernet (1 port), 2.4 GHz (802.11n) and 5 GHz Wireless (IEEE 802.11 b/g/n/ac)⁶, Wi-Fi Direct⁶, AirPrint®, Epson Print Layout for iOS

Operating Systems Supported⁷

Mac® OS X® 10.6.8 or later
 Windows® 10, 8.1, 8 and 7 (32-bit, 64-bit)

General

Weight and Dimensions (W x D x H)

Printer Weight: 35.3 lb

Dimensions (Printing): 24.2" x 35.6" x 20.5"

Dimensions (Storage): 24.2" x 14.5" x 7.8"

Acoustic Noise Level Approx. 41 dB(A), according to ISO 7779

Temperature

Operating: 50 °F to 95 °F (10 °C to 35 °C)

Storage: -4 °F to 104 °F (-20 °C to 40 °C)

Relative Humidity

Operating: 20% – 80% (no condensation)

Storage: 5% – 85% (no condensation)

Safety Standards UL (MET), FCC (Class A), CSA, CE, EMC

Electrical Requirements

Voltage: AC 110 V – 120 V

Frequency: 50 Hz – 60 Hz

Current: Less than 1 A

Power Consumption

Printing: Approx. 24 W

Sleep Mode: Approx. 1.1 W

Power Off: Approx. 0.14 W

Country of Origin Indonesia

What's Included

SureColor P900 Printer
 CD/DVD Disc Tray
 Initial Ink Cartridge Set (10 Cartridges)
 AC Power Cable
 User Guide Kit (Documentation and Warranty)
 Initial Maintenance Tank (Installed in Printer)
 Additional Maintenance Tank

Eco Features

ENERGY STAR® qualified

RoHS compliant

(available for up to a total of 5 years of continuous coverage)

* This product uses only genuine Epson-brand cartridges. Other brands of ink cartridges and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.

1 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect™ enabled printers and compatible devices and apps, visit www.epson.com/connect | **2** Roll media handling is standard on P700; optional on P900. | **3** Wilhelm Imaging Research lightfastness ratings are based on accelerated testing of prints on specified media, displayed indoors, under glass. Actual print stability will vary according to media, printed image, display conditions, light intensity, humidity and atmospheric conditions. Epson does not guarantee longevity of prints. For maximum print life, display all prints under glass or UV-absorbing acrylic and protect them from prolonged high-humidity environments. Visit www.wilhelm-research.com for the latest information. | **4** Print speeds are based on the print engine speed only. Total throughput time for any print depends on various factors including workstation configuration, file size, print resolution, ink coverage and networking. Actual print speeds will vary. | **5** The included initial cartridges are designed for reliable printer setup and cannot be used as replacement cartridges or resold. The ink supplied with your printer is used during initial setup. In order to produce the highest-quality prints, the printer needs to be and will be fully charged with ink. After setup is complete, the ink remaining in the cartridges, and the service life of the maintenance box, will be limited. Even if ink levels are low, or the service life of the maintenance box is nearing an end, you can continue to print until the printer displays replacement instructions. However, we recommend being prepared with replacement ink cartridges. | **6** Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | **7** For the latest drivers, visit www.epson.com/support | **8** For convenient and reasonable recycling options, visit www.epson.com/recycle | **9** SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency. | **10** Expedited shipping not available in all areas. Orders must be placed and processed by 1 p.m. Pacific Time, Monday through Friday, excluding holidays. | **11** Product comes with a 1-year limited warranty with the option to purchase extended service plans up to a total of 5 years of continuous coverage. Extended service plan can be purchased at any time that you are covered under an Epson limited warranty or Epson extended service plan. See individual service plan for details.
