Epson **WorkForce**
WF-7620DTWF

This Wi-Fi and Ethernet A3 business printer is ideal if you need to create a wide range of A3 documents quickly, as it features fast business-quality printing of up to 18ppm[1] and 10.9cm touch-screen. Two 250-sheet front-loading paper trays allow you to print both A3 and A4-sized documents, while the high-yield XXL black ink delivers approximately 2,200 pages[2].

A3 duplex 4-in-1
This business printer comes with a 35-sheet automatic document feeder and offers A3 duplex print, scan, copy and fax. As well as the two front loading paper trays, the rear speciality paper path means you can print on a wide range of thicker paper, envelopes or labels to suit your business needs.

Mobile printing
Epson Connect[3] allows you to print important office documents from smartphones and tablets. You can also print from anywhere in the world by emailing files directly to the printer, and store scanned documents in cloud services. In addition, this printer is also Google Cloud Print and Apple AirPrint compatible. For added versatility, Wi-Fi Direct™ allows easy printing from wireless devices without having to connect to a wireless router.

New printhead
PrecisionCore, Epson's most advanced printhead technology, powers the industry-leading output quality and durability that Epson is renowned for, at the high speeds required for office, commercial and industrial printing.
Durable ink
Epson's DURABrite Ultra Ink is ideal for producing laser-like business documents. Documents are water, smudge and highlighter resistant, while its quick-drying properties make it perfect for duplex printing. Available in 27XXL, 27XL and standard sizes, these high-capacity, individual ink cartridges offer great savings, with a 50% lower cost-per-page than competitive lasers[4].
