Fast, flexible, high-quality printing and easy office integration make this printer ideal for busy workgroups that want reliable performance to meet the demanding requirements of a fast-paced office.

Flexible & efficient
Featuring fast print speeds of 40ppm in simplex and 28ppm in duplex[1], as well as a first page out time of 9 seconds[1], the AL-M8100DTN is ideal for busy workgroups. Multiple paper trays means a high standard paper capacity of up to 1,100 sheets, with the option to expand paper capacity up to 2,600 sheets with added cassettes. For increased flexibility, documents can be printed from your iPad, iPhone, tablet, smartphone or computer thanks to Email Print for Enterprise compatibility[2].

Easy integration and reliable workgroup performance
The AL-M8100DTN fits into complex IT environments thanks to Adobe PS3 as well as PCL6 emulation, IPv6 support and advanced IPSec security. Sharing across workgroups is made easy with built in Gigabit Ethernet connectivity. It features a high duty cycle of 220,000[3] pages as well as an increased toner cartridge capacity of 21,700 sheets[4] meaning more time between cartridge changes.
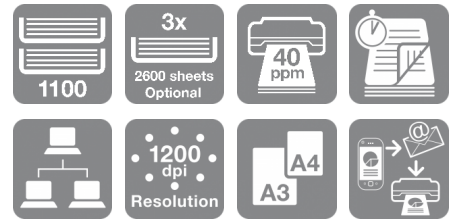

High-quality printing
A 1200dpi resolution means great print quality across big and small print jobs, delivered at fast speeds.
